AN ACT

CONCERNING BEHAVIORAL HEALTH-CARE INTEGRATION SERVICES FOR CHILDREN, AND, IN CONNECTION THEREWITH, MAKING AN APPROPRIATION.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly finds that:

(a) During the COVID-19 pandemic, children have been faced with unprecedented challenges, including how they attend school, interact with friends, and receive health care;

(b) During this unprecedented time, children and their families may have lost access to behavioral and mental health care, social services, income, food, or housing;

(c) Since the COVID-19 pandemic began, rates of psychological distress among young people have increased, including symptoms of anxiety, depression, and other behavioral and mental health disorders;

(d) The Colorado pediatric psychiatry consultation and access program (CoPPCAP) will provide peer-to-peer consultations, education, and support to pediatric primary care providers in order to identify and treat mild to moderate behavioral health concerns presenting in primary care;

(e) The behavioral health care professional matching grant program provides

funding to education providers to increase the presence of school health professionals to provide behavioral health care to students who have mental health, substance use or misuse, or other behavioral health needs;

(f) The school-based health center grant program provides access to school-based primary health care for children and adolescents, serving primarily low-income schools. The majority of students who attend schools with on-site health centers are from low-income families, are medically uninsured or underinsured, and qualify for free or reduced-cost school lunch pursuant to the federal "Richard B. Russell National School Lunch Act", 42 U.S.C. sec. 1751 et seq.

(g) The federal government enacted the "American Rescue Plan Act of 2021", Pub.L. 117-2, to provide support to state, local, and tribal governments in responding to the impacts of the COVID-19 pandemic; and

(h) Regulations construing the federal act promulgated by the United States treasury identify a nonexclusive list of uses for the COVID-19 pandemic and its negative public health impacts.

(2) (a) Therefore, the general assembly declares that children have been disproportionately impacted by the COVID-19 pandemic and its negative public health impacts during this public health emergency. The programs and services described in this legislative declaration are appropriate uses of the money transferred to Colorado under the federal act. This money will expand access to evidence-based treatment for behavioral health services that CoPPCAP, the school-based health center grant program, and the behavioral health care professional matching grant program provide to children and families.

(b) The general assembly further declares that CoPPCAP, the behavioral health care professional matching grant program, and the school-based health center grant program are important government services.

SECTION 2. In Colorado Revised Statutes, **add 23-20-144** as follows:

23-20-144. Colorado pediatric psychiatry consultation and access program (CoPPCAP) - created. (1) THERE IS CREATED IN THE UNIVERSITY OF COLORADO THE COLORADO PEDIATRIC PSYCHIATRY CONSULTATION AND ACCESS PROGRAM, REFERRED TO IN THIS SECTION AS "CoPPCAP". CoPPCAP SHALL:

(II) THE DEPARTMENT AND THE GRANTEES SHALL COMPLY WITH THE COMPLIANCE, REPORTING, RECORD-KEEPING, AND PROGRAM EVALUATION REQUIREMENTS ESTABLISHED BY THE OFFICE OF STATE PLANNING AND BUDGETING AND THE STATE CONTROLLER IN ACCORDANCE WITH SECTION 24-75-226 (5).

SECTION 5. Appropriation. (1) For the 2022-23 state fiscal year, \$4,600,000 is appropriated to the department of higher education for use by the regents of the university of Colorado. This appropriation is from the behavioral and mental health cash fund created in section 24-75-230 (2)(a), C.R.S., and is of money the state received from the federal coronavirus state fiscal recovery fund. To implement this act, the regents may use this appropriation for the Colorado pediatric psychiatry consultation and access program. Any money appropriated in this section not expended prior to July 1, 2023, is further appropriated to the regents from July 1, 2023, through December 30, 2024, for the same purpose.

(2) For the 2022-23 state fiscal year, \$5,000,000 is appropriated to the department of education. This appropriation is from the behavioral and mental health cash fund created in section 24-75-230 (2)(a), C.R.S., is of money the state received from the federal coronavirus state fiscal recovery fund, and is based on an assumption that the department will require an additional 0.4 FTE. To implement this act, the department may use this appropriation for the behavioral health care professionals matching grant program. Any money appropriated in this section not expended prior to July 1, 2023, is further appropriated to the department from July 1, 2023, through December 30, 2024, for the same purpose.

(3) For the 2022-23 state fiscal year, \$1,500,000 is appropriated to the department of public health and environment for use by the prevention services division. This appropriation is from the behavioral and mental health cash fund created in section 24-75-230 (2)(a), C.R.S., is of money the state received from the federal coronavirus state fiscal recovery fund, and is based on an assumption that the division will require an additional 0.4 FTE. To implement this act, the division may use this

appropriation for school-based health centers. Any money appropriated in this section not expended prior to July 1, 2023, is further appropriated to the division from July 1, 2023, through December 30, 2024, for the same purpose.

SECTION 6. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, or safety.
