assault services fund for domestic violence, sexual assault, or culturally specific programs.

The general assembly is permitted to appropriate less than \$3 million to the victims and witnesses assistance and law enforcement fund for allocation to judicial districts and instead appropriate that money to the Colorado crime victim services fund or the state victims assistance and law enforcement fund.

Under existing law, the Colorado crime victim services fund and the state domestic violence and sexual assault services fund are scheduled for repeal in 2027. The bill continues both funds indefinitely.
