hospital authority.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds and declares that:

4 (a) Denver health and hospital authority (Denver Health) is the
5 largest safety net provider in the state, providing services to patients from
6 63 counties, and is experiencing significant financial hardship;

7 (b) Denver Health's financial duress is due to a
8 lower-than-expected volume of services covered by commercial
9 insurance, which typically pays higher rates than medicaid, and increasing
10 payroll costs necessary to remain competitive with other providers and
11 retain and recruit staff;

12 (c) As a safety net hospital on the front line of providing
13 health-care services for the uninsured and underserved, it is important for
14 the health of Coloradans that Denver Health is financially sustainable and
15 able to remain a valuable health-care resource; and

16 (d) The COVID-19 pandemic has had a disproportionate impact
17 on Denver Health because Denver Health operates on a very thin margin
18 compared to other Colorado hospitals and has a low reserve of cash on
19 hand of less than 100 days of operating revenue.

20 (2) Therefore, the general assembly declares that it is important
21 to provide authority to the department of health care policy and financing
22 to help Denver Health remain financially stable.

23 **SECTION 2.** In Colorado Revised Statutes, **add** 25.5-4-427 as
24 follows:

25 **25.5-4-427. Supplemental state payment to the Denver health**

1 **and hospital authority - repeal.** (1) THE STATE DEPARTMENT SHALL
2 DISTRIBUTE MONEY APPROPRIATED FOR A SUPPLEMENTAL PAYMENT TO
3 THE DENVER HEALTH AND HOSPITAL AUTHORITY CREATED IN SECTION
4 25-29-103.

5 (2) THIS SECTION IS REPEALED, EFFECTIVE JULY 1, 2024.

6 **SECTION 3. Appropriation.** For the 2022-23 state fiscal year,
7 \$5,000,000 is appropriated to the department of health care policy and
8 financing for use for other medical services. This appropriation is from
9 the general fund. To implement this act, the department may use this
10 appropriation for payments to Denver health and hospital authority.

11 **SECTION 4. Safety clause.** The general assembly hereby finds,
12 determines, and declares that this act is necessary for the immediate
13 preservation of the public peace, health, or safety.
