A BILL FOR AN ACT

101 **CONCERNING ENTRY INTO A DWELLING BY A PEACE OFFICER.**

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

Under current law, a court may only grant a no-knock search warrant under certain circumstances. The bill adds to those circumstances a requirement that there is either probable cause for an arrest of a suspect or no-knock entry is necessary because of an imminent danger to the life of any person including the executing officers.

The bill requires a peace officer executing a search warrant to:

- Execute the warrant between the hours of 9 a.m. and 7 p.m. unless the judge authorizes execution at another time;

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
Capital letters or bold & italic numbers indicate new material to be added to existing law.
Dashes through the words or numbers indicate deletions from existing law.

- Be readily identifiable as a law enforcement officer in uniform, wearing a visible law enforcement badge;
- Wear and activate a body-worn camera when entering a premises for the purpose of executing a search warrant; and
- Knock-and-announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear and allow a reasonable amount of time before entering given the size of the dwelling for someone to get to the door, except when the court authorizes a no-knock warrant or if the circumstances known to the officer at the time provide a objectively reasonable basis that a no-knock entry or not waiting a reasonable amount of time is necessary because of an emergency threatening life of or grave injury to a person, provided that the imminent danger is not created by law enforcement itself.

The bill requires a peace officer who makes a warrantless entry into a dwelling to:

- Wear and activate a body-worn camera when entering a premises for the purpose of enforcing the law; and
- Knock-and-announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear and allow a reasonable amount of time before entering given the size of the dwelling for someone to get to the door, except if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that a no-knock entry or not waiting a reasonable amount of time is necessary because:
 - Of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by law enforcement itself; or
 - The officer is engaged in hot pursuit of a fleeing suspect.

3 INCLUDING THE PEACE OFFICERS EXECUTING THE WARRANT;

4 (6) For the purposes of this section, unless the context otherwise
5 requires, "no-knock search warrant" means a search warrant ~~served by~~

22 OCCUPANTS INSIDE CAN HEAR, ALLOW A REASONABLE AMOUNT OF TIME
23 BEFORE ENTERING GIVEN THE SIZE OF THE DWELLING FOR SOMEONE TO GET
24 TO THE DOOR, AND DELAY ENTRY IF THE OFFICER HAS REASON TO BELIEVE
25 THAT SOMEONE IS APPROACHING THE DWELLING'S ENTRANCE WITH THE
26 INTENT OF VOLUNTARILY ALLOWING THE OFFICER TO ENTER THE
27 DWELLING; EXCEPT THAT THIS SUBSECTION (7)(d) DOES NOT APPLY IF:

1 (I) A COURT AUTHORIZES A NO-KNOCK WARRANT PURSUANT TO
2 SECTION 16-3-303; OR

3 (II) THE CIRCUMSTANCES KNOWN TO THE OFFICER AT THE TIME
