**Current Appropriations Clause in Bill**

The bill includes an appropriation clause that appropriates a total of \$6,108 cash funds from the Division of Insurance Cash Fund to the Department of Regulatory Agencies for FY 2023-24. This provision also states that the appropriation is based on the assumption that the Department will require an additional 0.1 FTE.

**Points to Consider**

*General Fund Impact*

The Joint Budget Committee has proposed a budget package for FY 2023-24 based on the March 2023 Office of State Planning and Budgeting (OSP) revenue forecast. The budget package includes two set-asides for legislation outside of the package: (1) \$30.0 million General Fund for bills that create ongoing obligations; and (2) \$469.0 million for bills that create one-time obligations for FY 2023-24 (see table below).

General Fund Appropriation Placeholders for Other 2023 Legislation	
Description	FY 2023-24
Legislation with Ongoing Fiscal Impacts	\$30,000,000
Legislation with One-time Fiscal Impacts	
Workforce-related legislation, including free credentials, math scholarships, adult education, and concurrent enrollment	103,000,000
Housing-related legislation, including property tax relief, land use, and public-private partnerships	221,000,000
Legislation related to topics other than workforce and housing, including rural opportunity, line of duty loss, and Proposition 122 implementation	145,000,000
Subtotal	\$469,000,000
<b>TOTAL Placeholders for Other 2023 Legislation</b>	<b>\$499,000,000</b>

The budget package accounts for the 15.0 percent reserve associated with the above placeholders (a total of \$74.9 million).

Pursuant to Section 10-3-209 (4), C.R.S., taxes on insurance premiums are credited to the Division of Insurance Cash Fund (with a maximum transfer of five percent of premium tax collections) to cover appropriations made by the General Assembly. Any increase in appropriations reduces the amount of tax revenue deposited in the General Fund, thereby reducing the amount of General Fund available for other purposes.

This bill is anticipated to reduce General Fund revenues by \$6,108 for FY 2023-24, reducing the amount available for appropriation by the same amount.
