J.001	Staff-prepared appropriation amendment

Current Appropriations Clause in Bill

The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of \$1,234,039 in FY 2023-24, including \$710,353 General Fund to the Department of Public Safety and \$523,686 reappropriated funds to the Office of Information Technology in the Office of the Governor. This provision also states that the appropriation is based on the

assumption that the Department of Public Safety will require an additional 1.8 FTE, and the Office of the Governor will require an additional 2.7 FTE.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2023-24 based on the March 2023 Office of State Planning and Budgeting (OSPB) revenue forecast. The budget package includes two set-asides for legislation outside of the package: (1) \$30.0 million General Fund for bills that create ongoing obligations; and (2) \$469.0 million for bills that create one-time obligations for FY 2023-24 (see table below).

General Fund Appropriation Placeholders for Other 2023 Legislation	
Description	FY 2023-24
Legislation with Ongoing Fiscal Impacts	\$30,000,000
Legislation with One-time Fiscal Impacts	
Workforce-related legislation, including free credentials, math scholarships, adult education, and concurrent enrollment	103,000,000
Housing-related legislation, including property tax relief, land use, and public-private partnerships	221,000,000
Legislation related to topics other than workforce and housing, including rural opportunity, line of duty loss, and Proposition 122 implementation	145,000,000
Subtotal	\$469,000,000
TOTAL Placeholders for Other 2023 Legislation	\$499,000,000

The budget package accounts for the 15.0 percent reserve associated with the above placeholders (a total of \$74.9 million).

This bill creates an ongoing obligation and requires a General Fund appropriation of \$710,353 for FY 2023-24, reducing the \$30.0 million set aside by the same amount.

Future Fiscal Impact

The General Fund impact of the bill increases to \$1,623,663 in FY 2024-25. The fiscal note assumes that the majority of the tracking system build-out managed by OIT will occur in the second year based on the implementation date in the bill. The General Fund impact decreases to \$541,056 in FY 2025-26 and ongoing for maintenance costs.
