Current Appropriations Clause in Bill

The bill includes an appropriation clause that appropriates \$47,583 to the Department of Law for FY 2023-24, from revenue received from the Department of Personnel that is continuously appropriated from the Unused State-Owned Real Property Fund. This provision also states that the appropriation is based on the assumption that the Department of Law will require an additional 0.3 FTE.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2023-24 based on the March 2023 Office of State Planning and Budgeting (OSPB) revenue forecast. The budget package includes two set-asides for legislation outside of the package: (1) \$30.0 million General Fund for bills that create ongoing obligations; and (2) \$469.0 million for bills that create one-time obligations for FY 2023-24 (see table below).

| General Fund Appropriation Placeholders for Other 2023 Legislation | | |
|--|---------------|--|
| Description | FY 2023-24 | |
| Legislation with Ongoing Fiscal Impacts | \$30,000,000 | |
| Legislation with One-time Fiscal Impacts | | |
| Workforce-related legislation, including free credentials, math scholarships, adult education, and concurrent enrollment | 103,000,000 | |
| Housing-related legislation, including property tax relief, land use, and public-private partnerships | 221,000,000 | |
| Legislation related to topics other than workforce and housing, including rural opportunity, line of duty loss, and Proposition 122 implementation | 145,000,000 | |
| Subtotal | \$469,000,000 | |
| TOTAL Placeholders for Other 2023 Legislation | \$499,000,000 | |

The budget package accounts for the 15.0 percent reserve associated with the above placeholders (a total of \$74.9 million).

This bill creates a one-time obligation and requires a General Fund transfer of \$5.0 million for FY 2023-24, reducing the \$469.0 million set aside by that amount.
