Summary of Legislation

The bill suspends various statutory requirements related to enrollment and cost sharing for Medicaid and other state health programs in line with federal law.

Assessment of No Fiscal Impact

The bill codifies and aligns state statute with federal law and regulations. Given that HCPF is currently implementing these changes and their FY 2023-24 budget request already includes funding related to the suspension of these various provisions of state law in line with federal requirements, the bill is assessed as having no fiscal impact.

Effective Date

The bill was signed into law by the Governor and took effect on April 27, 2023.
