Summary of Legislation

The bill continues the State Noxious Weed Advisory Committee in the Department of Agriculture, which is currently scheduled to repeal on September 1, 2023. The advisory committee is continued through September 1, 2034.

Continuing Program Impacts

Based on the Department of Regulatory Agencies' 2022 Sunset Review, the Department of Agriculture is expected to have no revenue and minimal expenditures to reimburse advisory board members for meals at in-person meetings. The advisory committee conducts a hybrid of in-person and online meetings, and only the in-person meetings incur any cost. If this bill is enacted, these expenditures will continue for the committee starting in FY 2023-24. If this bill is not enacted, the committee will end on September 1, 2023, and expenditures will decrease starting in FY 2023-24.

Effective Date

The bill was signed into law by the Governor on May 1, 2023, and it takes effect August 7, 2023, assuming no referendum petition is filed.
