102 COMPACT".

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

The bill enacts the "Social Work Licensure Compact" (compact).
The compact is designed to:

- Eliminate the necessity for social workers to obtain licenses from multiple states by providing for the mutual recognition of licenses from other states that have signed the compact (member states);

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
Capital letters or bold & italic numbers indicate new material to be added to existing law.
Dashes through the words or numbers indicate deletions from existing law.

- Facilitate the exchange of licensure and disciplinary information among member states;
- Authorize member states to hold a regulated social worker accountable for abiding by a member state's laws, regulations, and applicable professional standards in the member state in which the client is located at the time care is rendered; and
- Allow for the use of telehealth to facilitate increased access to regulated social work services.

The bill authorizes the state board of social work examiners (board) to promulgate rules and to facilitate Colorado's participation in the compact, including notifying the Compact Commission (commission) established by the compact of any adverse action taken by the board against a Colorado regulated social worker. The commission includes a delegate from each member state and has the powers and duties set forth in the bill.

The compact becomes effective on the date the compact is enacted in the seventh member state.
