Pension Review Commission. House Bill 22-1034 merged 3 retirement plans administered by the fire and police pension association, the statewide defined benefit plan, the statewide hybrid plan, and the social security supplemental plan into a single statewide retirement plan. statutes into new statutes. In doing so, certain statutory cross references were not properly updated to reflect the repeals and relocations. The bill updates the obsolete statutory cross references.

In addition, the bill updates the definition of "member" in the new hire pension plan statute to clarify that a portion of the definition applies only for purposes of the statewide money purchase plan. The bill also repeals an inapplicable portion of the definition of "member" in the statewide retirement plan statute.
