*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)*

Under existing law, an applicant for a permit to carry a concealed handgun (permit) must demonstrate competence with a handgun, which the applicant may do by completing a handgun training class (initial class) offered by a verified instructor. Beginning July 1, 2025, the bill requires concealed handgun training classes to be held in person and include

instruction regarding:

- Knowledge and safe handling of firearms and ammunition;
- Safe storage of firearms and child safety;
- Safe firearms shooting fundamentals;
- Federal and state laws pertaining to the lawful purchase, ownership, transportation, use, and possession of firearms;
- State law pertaining to the use of deadly force for self-defense; and
- Techniques for avoiding a criminal attack and how to manage a violent confrontation, including conflict resolution and judgmental use of lethal force.

A student must achieve a passing score on a written concealed handgun competency exam and in a live-fire exercise to complete an initial class. An initial class must provide at least 8 hours of instruction, including the live-fire exercise and written exam.

The bill requires completion of an initial class or a concealed handgun refresher class (refresher class) for renewal of a permit, unless an exemption applies. A student in a refresher class must demonstrate safety and competence with a handgun. The refresher class must be held in person, be taught by a verified instructor, include instruction on changes to laws related to firearms, and require a passing score on a live-fire exercise and written exam. A refresher class must provide at least 2 hours of instruction, including the live-fire exercise and written exam.

The bill requires the Colorado bureau of investigation to verify class instructors.

The bill allows a person to demonstrate competence with a handgun by holding a current certification as a peace officer. The bill prohibits a person from being issued a permit if the person was convicted of certain misdemeanor offenses within 5 years before submitting a permit application.

The bill makes it a deceptive trade practice for a person to claim to be a verified instructor for a concealed handgun training class unless the person is verified as a firearms instructor by the Colorado bureau of investigation.
