the consumer a waste tire fee (fee) that is then collected by the department of public health and environment (department) and distributed into 2 separate cash funds:

- The waste tire administration, enforcement, market development, and cleanup fund; and
- The end users fund.

The department uses the money in the waste tire administration, enforcement, market development, and cleanup fund for various purposes related to waste tire recycling and management. The department uses the money in the end users fund to issue rebates to end users of waste tires.

The bill shifts the following responsibilities from the department to the enterprise:

- Collecting the fee;
- Managing the waste tire administration, enforcement, market development, and cleanup fund and the end users fund;
- Issuing rebates to end users; and
- In conjunction with the solid and hazardous waste commission, overseeing the activities of waste tire haulers, waste tire generators, waste tire collection facilities, waste tire processors, mobile processors, waste tire monofills, end users, and used tire management.

The bill extends the amount of time that the fee may be collected, from December 31, 2025, until December 31, 2040.

The enterprise is operated by a board of directors appointed by the executive director of the department. The enterprise's primary duties and functions are to:

- Collect the fee;
- Promote waste tire recycling and management strategies for Colorado;
- Issue revenue bonds;
- Publish waste tire recycling and management strategies online; and
- Engage the services of contractors, consultants, or legal counsel to provide professional and technical assistance related to the conduct of the enterprise.

Because the enterprise is a government-owned business, the revenue generated by the enterprise is not subject to section 20 of article X of the state constitution.

15 REGARDING THE MANAGEMENT OF WASTE TIRES IN COLORADO;

16 (c) THE MANAGEMENT OF WASTE TIRES AT THE STATE LEVEL

18 ENVIRONMENTAL IMPACTS ACROSS THE STATE;

19 (d) IT IS IN THE STATE'S INTEREST TO PROVIDE FOR THE RECOVERY,
20 RECYCLING, REUSE, AND MANAGEMENT OF WASTE TIRES THROUGH A
21 GOVERNMENT-RUN ENTERPRISE;
