A BILL FOR AN ACT

101 CONCERNING THE CREATION OF A PILOT PROGRAM FOR A
102 MIDDLE-INCOME HOUSING INCOME TAX CREDIT.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

The bill creates a pilot program for an income tax credit for owners of qualified housing developments focused on rental housing for middle-income individuals and families. Middle-income individuals and families are those individuals and families with an annual household income between 80% and 120% of the area median income of the households of the same size in the county in which the housing

development is located; except that, for rural resort counties, the annual income is between 80% and 140% of the area median income of the households of the same size in the county in which the housing development is located.

During the calendar years commencing on January 1, 2025, and ending on December 31, 2027, the owner of a qualified housing development may be allocated a credit by the Colorado housing and finance authority (CHFA). The amount of the credit is determined by CHFA. The allocation of credits must follow CHFA's published allocation plan, and the aggregate amount of credits allocated in one calendar year cannot exceed \$10 million. The allocated credit amount may be used to offset a qualified taxpayer's income taxes each year for a period of 5 years, beginning in the year that the qualified housing development is placed in service. Although the credit may only be claimed for a 5-year period, the owner is required to provide middle-income housing in the qualified housing development for 15 years. A portion of the credit may be recaptured under certain conditions, for instance when the owner reduces the number of units serving middle-income individuals and families. In addition, the credit is allowed against insurance premium taxes for eligible taxpayers that are not subject to income taxes.

The bill also requires CHFA to annually report on the middle-income tax credit pilot program to the general assembly and to make the report publicly available.

1 *Be it enacted by the General Assembly of the State of Colorado:*

23 54 MAY CLAIM THE CREDIT AND CARRY THE CREDIT FORWARD AGAINST
24 THE INSURANCE PREMIUM TAX ON ITS CALENDAR QUARTER ESTIMATED
25 TAX PAYMENTS MADE IN ACCORDANCE WITH SECTION 10-3-209 TO THE
26 SAME EXTENT AS THE TAXPAYER WOULD HAVE BEEN ABLE TO CLAIM OR
27 CARRY FORWARD SUCH CREDIT AGAINST INCOME TAX. ALL OTHER

1 PROVISIONS OF THIS PART 54 WITH RESPECT TO THE CREDIT, INCLUDING
