Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

The bill allows a preschool, public school, or public college or university student to wear objects of cultural or religious significance as an adornment at a graduation ceremony.

The bill prohibits a preschool, public school, or public college or university from restricting what a student may wear under the student's required graduation attire.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
Capital letters or bold & italic numbers indicate new material to be added to existing law.
Dashes through the words or numbers indicate deletions from existing law.

The bill allows a preschool, public school, or public college or university to prohibit a student from wearing or displaying an adornment that is likely to cause substantial disruption of, or material interference with, a graduation ceremony, but the prohibition must be the least restrictive means necessary to accomplish a specifically identified important government interest.

Prior to the start of the 2024-25 school year, the bill requires a preschool, public school, and public college or university to develop and adopt a policy that aligns with the requirements of the bill.
