**Bill Summary**

*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)*

The bill creates 2 tax incentives to support the development of the quantum technology ecosystem in the state. Neither of the tax credits created in the bill are allowed to any qualified applicant unless a Colorado-based entity receives a multi-million dollar federal grant from the economic development administration for the regional technology and innovation program or a comparable federal grant program.

**Tax credit for investments in fixed capital assets to create a shared quantum facility.** Section 2 of the bill creates a 100% refundable income tax credit for qualifying investments in fixed capital assets as part of a coordinated plan to create a shared quantum facility (facility credit) for income tax years commencing on or after January 1, 2025, but before January 1, 2033. The amount of the facility credit is equal to the amount of the qualifying investment made by a qualified applicant for an eligible project; except that the maximum aggregate amount of all facility credits is \$44 million. In addition, the maximum aggregate amount of facility credits that may be claimed in the taxable year in which the eligible project is placed in service is \$24 million. If qualified applicants are issued more than an aggregate of \$24 million in facility credits, the qualified applicants may claim the credits in future taxable years, subject to a specified limit on the amount of the credit that may be claimed in a single taxable year.

A qualified applicant may be a consortium of entities that are jointly participating in creating a shared quantum facility. An eligible project is a project to create a shared quantum facility, which is a primary place in the state where an applicant performs activities and provides the economic benefits related to quantum business and that is approved as an eligible project by the office of economic development (office).

The bill details a process for claiming the facility credit that requires:

- The submission by a qualified applicant to the office of an application for a facility credit reservation;
- Preliminary and final review of the application and approval of the request for a facility credit reservation by the office;
- Issuance of a facility credit reservation to the qualified applicant by the office;
- Completion of the eligible project and certification by the qualified applicant of the qualified applicant's qualifying investments;
- Review of the eligible project and qualifying investments by the office;
- Issuance of a tax credit certificate by the office;
- Filing of the tax credit certificate with the department of revenue with the qualified applicant's tax return or informational return; and
- Recapture of the credit if the eligible project is not used for a use that makes it an eligible project during a specified compliance period.

**Quantum business loan loss reserve tax credit.** Section 3 creates a 100% refundable income tax credit to offset losses incurred by a qualified applicant in connection with a registered loan to a quantum

company (loan loss credit) for income tax years commencing on or after January 1, 2026, but before January 1, 2046. A qualified applicant is a commercial bank, depository institution, private lending fund, or other entity that makes loans for commercial purposes to a quantum company that satisfies certain income and other criteria (eligible loan). The administrator of the loan loss credit (administrator) may be the office, or the office may contract with a third-party program administrator to administer the credit. The administrator is required to determine the method by which the loan loss credit will be distributed to qualified applicants. The distribution method may be on a first-come, first-served basis or based on a competitive lender selection process where the administrator chooses which lenders are eligible to apply for the loan loss credit.

A qualified applicant is required to register any loan that is the basis of a loan loss tax credit with the administrator and is not eligible to claim the loan loss credit until the qualified applicant has incurred a loss in connection with a registered loan. The amount of the loan loss credit is an amount up to 15 cents for every dollar of an eligible loan that the qualified applicant has made or will make; except that the maximum aggregate amount of all loan loss credits is \$30 million. In addition, subject to specified requirements and, if the administrator is not the office, the approval of the office, the administrator may establish policies and procedures to set the amount of the loan loss credit below 15 cents for every dollar loaned, change the amount of the loan loss credit from time to time, or cap the total amount of loan loss credits issued to a qualified applicant.

Each qualified applicant that is issued more than one loan loss credit certificate is required to hold all the loan loss credit certificates that were issued to the qualified applicant in a pooled loan loss reserve. A qualified applicant may use all or any portion of the loan loss credit certificates issued to that qualified applicant to offset any loss incurred by that qualified applicant in connection with one or more registered loans.

The bill details a process for claiming the loan loss credit that requires:

- Submission of an application for a loan loss credit certificate and a request that the administrator register an eligible loan;
- Preliminary and final review of the application and registration of eligible loans by the administrator;
- Issuance of a loan loss tax credit certificate to a qualified applicant;
- Periodic updates to the administrator by a qualified applicant that was issued a loan loss credit certificate regarding the status of each of the qualified applicant's registered loans;

- Application to the administrator for a registered loan loss certificate after a qualified applicant incurs a loss in connection with a registered loan;
- Review of information regarding the loan by the administrator and issuance of a registered loan loss certificate to the qualified applicant; and
- Filing the loan loss credit certificate and the registered loan loss certificate with the department of revenue with the qualified applicant's tax return or informational return.

The administrator of the loan loss credit may impose a registration and issuance fee on a qualified applicant or on the borrower to which a qualified applicant made an eligible loan. The administrator is required to credit any fee revenue to the quantum business loan loss reserve cash fund, which is created in the bill and is exempted, in **section 3**, from the restriction on the statutory amount of authorized cash fund reserves.

The office and the administrator are required to annually report to the general assembly regarding the facility credit and the loan loss credit and may, after soliciting advice from the department of revenue and quantum industry participants, create and modify policies and procedures as necessary to implement the facility credit or the loan loss credit, as applicable.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly  
3 finds and declares that:

4 (a) Under the federal "Creating Helpful Incentives to Produce  
5 Semiconductors (CHIPS) and Science Act", enacted in 2022, the United  
6 States Department of Commerce's Economic Development  
7 Administration is overseeing the Regional Technology and Innovation  
8 Hubs, or "Tech Hubs", program, a competitive process to select 5 to 10  
9 federally designated Tech Hubs across the country, with \$500 million in  
10 appropriated funding available in 2024 and up to \$10 billion over 5 years;

11 (b) In October 2023, the federal government announced that  
12 Colorado was successful in its bid pursuing a regional Phase 1 Tech Hub  
13 designation, enabling the state to compete for new funds to develop the

1 quantum technology industry; the Tech Hub bid is led by a Colorado-led  
2 nonprofit consisting of a consortium of over 70 member organizations  
3 across Colorado, New Mexico, and Wyoming aiming to maintain the  
4 Mountain West as the nation's leading quantum ecosystem;

5 (c) Colorado is currently competing nationally for the Tech Hubs  
6 program's Phase 2 Tech Hub designation and accompanying grant for  
7 quantum technology. If successful, Colorado will secure the federal  
8 funding necessary to develop a global hub for the quantum technology  
9 ecosystem, including quantum computing, sensing, networking, and  
10 enabling hardware.

11 (d) Colorado is deeply committed to ensuring that all residents of  
12 the state have equitable access to high-quality careers, and maintains that  
13 the state's economy and social well-being is greatly strengthened when  
14 investments in industries assist to create and retain high-road,  
15 family-sustaining jobs;

16 (e) The federal Tech Hubs program requires the development of  
17 robust workforce development programs in partnership with training  
18 providers, educational institutions, and labor and community  
19 organizations, requires that programs align with the "Good Jobs  
20 Principles" established by the United States department of labor and  
21 United States department of commerce, and requires that programs  
22 demonstrate how workforce development organizations and organizations  
23 representing workers, including labor organizations and federations, will  
24 collaborate within the Tech Hub to increase job quality and the quantity  
25 of good jobs in the selected core technology areas;

26 (f) Colorado is internationally recognized for its contributions to  
27 quantum physics and is home to 4 winners of the Nobel Prize in Physics

1 for quantum breakthroughs that shifted global understanding in the field;

2 (g) Colorado has more quantum startups, deployed quantum  
3 technology, private sector investments in quantum technology employees  
4 working for quantum companies, and overall economic output within the  
5 quantum industry than any other state;

6 (h) Colorado's quantum technology industry has fostered a 40%  
7 increase in the number of patents secured in the state over the last 10  
8 years and a 545% increase in the total third-party funding amount directed  
9 to quantum companies in the state over the last 15 years;

10 (i) Establishing Colorado as the global hub for quantum  
11 technology will result in an economic impact of more than \$1 billion  
12 statewide and over 10,000 high-quality jobs from the Phase 2 Tech Hub  
13 designation alone, but state support will be essential in obtaining this  
14 federal money;

15 (j) Colorado's quantum technology industry has garnered  
16 international recognition for its groundbreaking achievements,  
17 positioning the state as a leader in quantum research, development, and  
18 innovation; and

19 (k) The collaborative efforts of higher education institutions,  
20 industry, and government agencies have played a pivotal role in nurturing  
21 Colorado's quantum technology ecosystem, fostering an environment  
22 conducive to research advancements, technology deployment to improve  
23 the quality of life, and economic prosperity for Colorado and our global  
24 community.

25 (2) The general assembly further finds and declares that the tax  
26 incentives provided in this act will strengthen the growing and  
27 competitive position of Colorado as a Tech Hub for quantum technology

1 and will enable the state to continue its exemplary achievements and  
2 strategic initiatives in quantum technology.

7 INCLUDES A DESCRIPTION OF THE LOAN THAT THE QUALIFIED APPLICANT  
8 MADE OR WILL MAKE TO A BORROWER AND A DESCRIPTION OF THE  
9 PURPOSES FOR WHICH THE BORROWER WILL USE THE LOAN;

10 (D) MAKE A DETERMINATION OF WHETHER THE LOAN IS AN  
11 ELIGIBLE LOAN AND WHETHER THE ADMINISTRATOR MAY REGISTER THE  
12 LOAN PURSUANT TO SUBSECTION (5)(c) OF THIS SECTION; AND

13 (E) DETERMINE WHETHER, BASED ON THE ELIGIBLE LOAN, THE  
14 QUALIFIED APPLICANT IS ENTITLED TO A TAX CREDIT CERTIFICATE AS  
15 SPECIFIED IN SUBSECTION (7) OF THIS SECTION.

16 (II) IF THE ADMINISTRATOR DETERMINES THAT AN APPLICATION IS  
17 INCOMPLETE OR THAT IT IS UNABLE TO MAKE THE DETERMINATIONS  
18 SPECIFIED IN SUBSECTION (5)(b)(I) OF THIS SECTION, THE ADMINISTRATOR

18 (II) THE ADMINISTRATOR SHALL REVIEW THE INFORMATION  
19 SUBMITTED PURSUANT TO SUBSECTION (5)(c)(I) OF THIS SECTION AND

10 REGISTER THE LOAN.

11 (III) THE ADMINISTRATOR MAY ESTABLISH POLICIES AND  
12 PROCEDURES THAT SPECIFY ADDITIONAL REQUIREMENTS FOR LOANS TO BE  
13 DESIGNATED AS ELIGIBLE LOANS AND FOR LOANS TO BE REGISTERED  
14 PURSUANT TO THIS SUBSECTION (5)(c).

15 (d) THE ADMINISTRATOR SHALL MAKE THE DETERMINATIONS  
16 SPECIFIED IN SUBSECTIONS (5)(b) AND (5)(c) OF THIS SECTION WITHIN  
17 NINETY DAYS OF THE DATE THE ADMINISTRATOR RECEIVES THE COMPLETE

19 (e) THE ADMINISTRATOR MAY DEVELOP A PROCESS THAT ALLOWS  
20 A POTENTIAL APPLICANT FOR A TAX CREDIT PURSUANT TO THIS SECTION TO  
21 PROVIDE INFORMATION TO THE ADMINISTRATOR REGARDING A LOAN THAT

24 THE LOAN, IF MADE, IS AN ELIGIBLE LOAN THAT CAN BE REGISTERED  
25 PURSUANT TO SUBSECTION (5)(c) OF THIS SECTION. ANY POTENTIAL

6 (c) IF THE ADMINISTRATOR ISSUES A TAX CREDIT CERTIFICATE TO  
7 A QUALIFIED APPLICANT, THE ADMINISTRATOR SHALL NOTIFY THE  
8 QUALIFIED APPLICANT IN WRITING OF THE CERTIFICATE AND THE AMOUNT

11 QUALIFIED APPLICANT TO CLAIM THE CREDIT UNTIL THE QUALIFIED  
12 APPLICANT HAS BEEN ISSUED A REGISTERED LOAN LOSS CERTIFICATE  
13 PURSUANT TO SUBSECTION (8) OF THIS SECTION.

14 (d) (I) SUBJECT TO THE LIMITATIONS IN THIS SUBSECTION (7)(d),

7 ADMINISTRATOR. THE ADMINISTRATOR SHALL MAKE THE POLICIES AND  
8 PROCEDURES SPECIFIED IN THIS SUBSECTION (7)(d)(III) BASED ON MARKET  
9 CONDITIONS AND OTHER FACTORS DETERMINED TO BE RELEVANT BY THE  
10 ADMINISTRATOR. IF THE OFFICE IS NOT THE ADMINISTRATOR, THE OFFICE  
11 SHALL APPROVE THE ADMINISTRATOR'S FINAL DECISIONS ON POLICIES AND

26 RECEIVE A LOAN LOSS CERTIFICATE PURSUANT TO SUBSECTION (8)(d) OF  
27 THIS SECTION.

1           (II) THE ADMINISTRATOR SHALL KEEP A RECORD OF THE STATUS OF
