**A BILL FOR AN ACT**

101 **CONCERNING MEASURES TO PROMOTE THE USE OF GRAYWATER.**

**Bill Summary**

*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)*

Under current law, a board of county commissioners or governing body of a municipality (local government) may authorize the use of graywater within its jurisdiction. Graywater refers to certain types of wastewater that is collected from fixtures before it is treated and put to certain beneficial uses.

The bill authorizes the installation of graywater treatment works and the use of graywater statewide; except that a local government:

- May adopt an ordinance or a resolution prohibiting the

installation of graywater treatment works or the use of all graywater or categories of graywater use within its jurisdiction; and

- Shall notify the division of administration in the department of public health and environment of any such local ordinance or resolution adopted.

To incentivize the installation of graywater treatment works within a residential building for indoor water reuse, the bill also creates a state income tax credit that allows a taxpayer to claim a credit up to 50% of the cost of such an installation or up to \$5,000, whichever amount is less.
