HOUSE  
Amended 2nd Reading  
April 30, 2024

The bill expands the grant program to include mentorship of novice teachers who have fewer than 3 years of teaching experience.

The bill requires the general assembly to appropriate \$500,000 dollars to the department of higher education for the grant program for the 2024-25 state fiscal year. Any appropriation remaining at the end of the 2024-25 state fiscal year may be used for the grant program in subsequent fiscal years.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly  
3 finds that:

4 (a) In 2019, the general assembly created the teacher mentor grant  
5 program to provide funding to partnering local education providers and  
6 educator preparation programs to provide training and stipends for  
7 teachers who serve as mentors for teacher candidates participating in  
8 clinical practice;

9 (b) In 2023, the department of higher education surveyed over 100  
10 mentors who participated in the program from 2021 to 2023. The survey  
11 results indicated that:

12 (I) As a result of completing the approved mentor endorsement  
13 training program, mentors reported high levels of confidence and skill  
14 across all five competency areas identified in the Colorado standards for  
15 mentor teachers and were most confident in their expertise around best  
16 practices that maximize student achievement;

17 (II) Mentors reported that their preparation encouraged them to  
18 carefully reflect on their own profession and practice while encouraging  
19 them to implement new evidence-based teaching practices; and

20 (III) Nearly all mentors reported that their preparation experience  
21 enhanced their own professional identity, encouraging them to think of  
22 themselves as teacher leaders and confirmed their commitment to and

1 satisfaction with the profession. From 2021 to 2023, a total of 177 mentor  
2 teachers participated in the program, receiving training from four  
3 educator preparation programs that serve urban and rural school districts  
4 across the state.

5 (c) In 2023 and 2024, an additional educator preparation program  
6 was included in the program and several other preparation programs are  
7 interested in seeking approval to offer the mentor endorsement training  
8 program, which will greatly expand access to high-quality mentor  
9 preparation across Colorado.

10 (2) Therefore, the general assembly declares that the demonstrated  
11 success of the teacher mentor grant program warrants continued and  
12 increased support of the grant program.

13 **SECTION 2.** In Colorado Revised Statutes, 23-78-102, **amend**  
14 (1)(d), [REDACTED] and (2); and **add** (1)(f) and (1)(g) as follows:

15 **23-78-102. Legislative declaration.** (1) The general assembly  
16 finds that:

17 (d) Research suggests that an effective teacher preparation  
18 program should include opportunities for teacher candidates to spend time  
19 in the classroom beginning in the first year of the program and continuing  
20 and increasing throughout the program, culminating in a full year of  
21 clinical practice using a classroom residency model in the final year of the  
22 program; ~~and~~

23 [REDACTED]

24 (f) EXPANDING MENTORSHIP TO NOVICE TEACHERS NOT ONLY  
25 CREATES VALUABLE PROFESSIONAL SUPPORT FOR ADDITIONAL MEMBERS  
26 OF THE EDUCATION WORKFORCE, BUT ALSO ULTIMATELY INCREASES THE  
27 NUMBER OF CAPABLE, HIGH-QUALITY TEACHERS, PROMOTES JOB

1 SATISFACTION, DECREASES TEACHER TURNOVER, OFFERS OPPORTUNITIES  
2 FOR EXPERIENCED TEACHERS TO FURTHER THEIR CAREERS, AND LIKELY  
3 IMPROVES STUDENT ACHIEVEMENT; AND

4 (g) SUFFICIENTLY EXPANDING MENTORSHIP OPPORTUNITIES FOR  
5 NOVICE TEACHERS REQUIRES A MULTI-FACETED APPROACH THAT ALSO  
6 CREATES AND BUILDS FUTURE CAPACITY FOR SCHOOL- AND  
7 DISTRICT-LEVEL SUPPORTS, INCLUDING LOCAL INDUCTION AND  
8 MENTORING.

9 (2) The general assembly finds, therefore, that it is appropriate to  
10 direct the department of education and the department of higher education  
11 to collaborate with local education providers, approved educator  
12 preparation programs, alternative teacher programs, and other interested  
13 parties to identify best practices in providing comprehensive, rigorous,  
14 and effective teacher preparation and guidelines for implementing these  
15 best practices. The general assembly further finds that it is in the best  
16 interests of the state to establish a grant program to provide funding for  
17 training and reimbursements for mentor teachers who provide guidance  
18 and oversight for teacher candidates while they participate in clinical  
19 practice OR FOR NOVICE TEACHERS.

20 **SECTION 3.** In Colorado Revised Statutes, 23-78-103, **add** (9.5)  
21 as follows:

22 **23-78-103. Definitions.** As used in this part 1, unless the context  
23 otherwise requires:

24 (9.5) "NOVICE TEACHER" MEANS A TEACHER WHO HAS FEWER  
25 THAN THREE YEARS OF TEACHING EXPERIENCE.

26 **SECTION 4.** In Colorado Revised Statutes, 23-78-105, **amend**  
27 (1), (2) introductory portion, (2)(c), (2)(d), and (5); and **repeal** (2)(e) as

1 follows:
