A BILL FOR AN ACT

CONCERNING MEASURES TO INCREASE TEACHER MENTORSHIPS IN PUBLIC SCHOOLS, AND, IN CONNECTION THEREWITH, MAKING AN APPROPRIATION.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://leg.colorado.gov.)

Under current law, the teacher mentor grant program (grant program) provides funding to partnerships between local education providers and educator preparation programs to provide training and stipends for experienced teachers who mentor teacher candidates in clinical practice.
The bill expands the grant program to include mentorship of novice teachers who have fewer than 3 years of teaching experience.

The bill requires the general assembly to appropriate $500,000 dollars to the department of higher education for the grant program for the 2024-25 state fiscal year. Any appropriation remaining at the end of the 2024-25 state fiscal year may be used for the grant program in subsequent fiscal years.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly finds that:

(a) In 2019, the general assembly created the teacher mentor grant program to provide funding to partnering local education providers and educator preparation programs to provide training and stipends for teachers who serve as mentors for teacher candidates participating in clinical practice;

(b) In 2023, the department of higher education surveyed over 100 mentors who participated in the program from 2021 to 2023. The survey results indicated that:

(I) As a result of completing the approved mentor endorsement training program, mentors reported high levels of confidence and skill across all five competency areas identified in the Colorado standards for mentor teachers and were most confident in their expertise around best practices that maximize student achievement;

(II) Mentors reported that their preparation encouraged them to carefully reflect on their own profession and practice while encouraging them to implement new evidence-based teaching practices; and

(III) Nearly all mentors reported that their preparation experience enhanced their own professional identity, encouraging them to think of themselves as teacher leaders and confirmed their commitment to and
satisfaction with the profession. From 2021 to 2023, a total of 177 mentor teachers participated in the program, receiving training from four educator preparation programs that serve urban and rural school districts across the state.

(c) In 2023 and 2024, an additional educator preparation program was included in the program and several other preparation programs are interested in seeking approval to offer the mentor endorsement training program, which will greatly expand access to high-quality mentor preparation across Colorado.

(2) Therefore, the general assembly declares that the demonstrated success of the teacher mentor grant program warrants continued and increased support of the grant program.

SECTION 2. In Colorado Revised Statutes, 23-78-102, amend (1)(d), and (2); and add (1)(f) and (1)(g) as follows:

23-78-102. Legislative declaration. (1) The general assembly finds that:

(d) Research suggests that an effective teacher preparation program should include opportunities for teacher candidates to spend time in the classroom beginning in the first year of the program and continuing and increasing throughout the program, culminating in a full year of clinical practice using a classroom residency model in the final year of the program; and

(f) EXPANDING MENTORSHIP TO NOVICE TEACHERS NOT ONLY CREATES VALUABLE PROFESSIONAL SUPPORT FOR ADDITIONAL MEMBERS OF THE EDUCATION WORKFORCE, BUT ALSO ULTIMATELY INCREASES THE NUMBER OF CAPABLE, HIGH-QUALITY TEACHERS, PROMOTES JOB
SATISFACTION, DECREASES TEACHER TURNOVER, OFFERS OPPORTUNITIES FOR EXPERIENCED TEACHERS TO FURTHER THEIR CAREERS, AND LIKELY IMPROVES STUDENT ACHIEVEMENT; AND

(g) SUFFICIENTLY EXPANDING MENTORSHIP OPPORTUNITIES FOR NOVICE TEACHERS REQUIRES A MULTI-FACETED APPROACH THAT ALSO CREATES AND BUILDS FUTURE CAPACITY FOR SCHOOL- AND DISTRICT-LEVEL SUPPORTS, INCLUDING LOCAL INDUCTION AND MENTORING.

(2) The general assembly finds, therefore, that it is appropriate to direct the department of education and the department of higher education to collaborate with local education providers, approved educator preparation programs, alternative teacher programs, and other interested parties to identify best practices in providing comprehensive, rigorous, and effective teacher preparation and guidelines for implementing these best practices. The general assembly further finds that it is in the best interests of the state to establish a grant program to provide funding for training and reimbursements for mentor teachers who provide guidance and oversight for teacher candidates while they participate in clinical practice OR FOR NOVICE TEACHERS.

SECTION 3. In Colorado Revised Statutes, 23-78-103, add (9.5) as follows:
