The bill permits municipalities to authorize overdose prevention centers. It may impact local government workload.

Appropriation Summary: No appropriation is required.

Fiscal Note Status: The fiscal note reflects the introduced bill.

Summary of Legislation

The bill permits the governing board of a municipality to authorize overdose prevention centers within their boundaries. Overdose prevention centers provide space for individuals to use controlled substances under the supervision of healthcare professionals or other trained staff that can provide life-saving treatment during an overdose, and other harm reduction services.

Local Government

Conditional upon municipal approval, the bill may increase municipal workload associated with any regulatory role over an overdose prevention center.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.
