Current Appropriations Clause in Bill

The bill includes an appropriation clause that provides \$2.0 million cash funds spending authority for the State Funding for Senior Services Contingency Reserve Fund for FY 2023-24.

Points to Consider

General Fund Impact

The Joint Budget Committee (JBC) has proposed a supplemental budget package for FY 2023-24. The \$2.0 million General Fund transfer to the State Funding for Senior Services Contingency Reserve Fund for FY 2023-24 included in this bill will reduce the General Fund reserve that is carried forward into FY 2024-25 by the same amount. The JBC has included as part of its FY 2023-24 supplemental budget package the General Fund revenue decrease that would result from the passage of this bill.
