Points to Consider

General Fund Impact

The Joint Budget Committee (JBC) has proposed a supplemental budget package for FY 2023-24. The \$18,971,100 General Fund transfer to the Capital Construction Fund for FY 2023-24 included in this bill will reduce the General Fund reserve that is carried forward into FY 2024-25 by the same amount. The JBC has included as part of its FY 2023-24 supplemental budget package the General Fund revenue decrease that would result from the passage of this bill.
