Summary of Legislation

The bill requires the Colorado Department of Transportation (CDOT) to hold a public hearing by October 1, 2024, where members of the public may identify any provision of CDOT's outdoor advertising rules allow advertising that may not comply with federal law around outdoor advertising along federal-aid highways, thus disqualifying the state from receiving 10 percent of its federal-aid highway funding. CDOT must review any provision identified and, where it finds a disqualifying provision, conduct rulemaking to repeal or amend the disqualifying provision.

Assessment of No Fiscal Impact

The bill requires CDOT to hold a public hearing around its Outdoor Advertising Program. CDOT holds Outdoor Advertising Program rulemaking processes, including public hearings, within its existing resources. Because the department does not require any additional resources or FTE to carry out the requirements of the bill, the bill is assessed as having no fiscal impact.

Effective Date

The bill takes effect 90 days following adjournment of the General Assembly sine die, assuming no referendum petition is filed.
