Summary of Legislation

The bill creates the Stable Housing for Survivors of Domestic and Sexual Violence Program in the Department of Human Services (CDHS). By January 1, 2025, the CDHS is required to contract with community-based organizations to distribute short-term assistance payments to survivors of abuse for stable housing. Recipients must also be eligible for assistance provided by the Colorado Works Program. The bill appropriates \$2.0 million annually for the program from the Colorado Long-Term Works Reserve from FY 2024-25 to FY 2028-29.

State Expenditures

The bill increases state expenditures in the CDHS by \$2.0 million per year from FY 2024-25 to FY 2028-29, paid from the Colorado Long-Term Works Reserve. Expenditures are shown in Table 2 and detailed below.

Contract management staff costs are prorated for an October 2024 start date, and all staff costs will continue through FY 2028-29.

Program costs. After administrative costs, approximately \$1.9 million per year is expected to be available for the CDHS to contract community-based organizations for the distribution of short-term assistance to eligible program participants from FY 2024-25 to FY 2028-29.

Centrally appropriated costs. Pursuant to a Joint Budget Committee policy, certain costs associated with this bill are addressed through the annual budget process and centrally appropriated in the Long Bill or supplemental appropriations bills, rather than in this bill. These costs, which include employee insurance and supplemental employee retirement payments, are shown in Table 2.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.
