The bill would have authorized facilities to install newborn safety devices. The bill may have increased local expenditures beginning in FY 2024-25.

Appropriation Summary: No appropriation was required.

Fiscal Note Status: The final fiscal note reflects the introduced bill. This bill was deemed lost in the Senate on May 9, 2024; therefore, the impacts identified in this analysis do not take effect.

Summary of Legislation

The bill allows authorized facilities, such as a fire station, hospital, or community clinic emergency center, where a parent may relinquish a newborn to install newborn safety devices. This type of device is typically a climate-controlled and electronically-monitored incubator built into a wall on the premises of the facility where an infant can be placed. The bill outlines the requirements for facilities and persons operating the safety devices.

Local Government

If a local government has installed, or is considering of installing a newborn safety device, costs may increase to ensure that the device meets the requirements of the bill. Any impact will depend on local decisions to install the devices in authorized facilities.

Effective Date

The bill takes effect 90 days following adjournment of the General Assembly sine die, assuming no referendum petition is filed.
