Bill Topic: **PRECIPITATION HARVESTING STORM WATER DETENTION**

Summary of Fiscal Impact: **No fiscal impact.** The bill allows an approved precipitation harvesting and integrated storm water facilities to use detained water. It is assessed as having no fiscal impact on state and local governments.

Appropriation Summary: No appropriation required.

Fiscal Note Status: The fiscal note reflects the enacted bill.

Summary of Legislation

The bill allows precipitation harvesting and integrated storm water facilities to use detained water. The facility must be approved as a pilot project under a State Engineer-approved substitute water supply plan.

Assessment of No Fiscal Impact

The Division of Water Resources (DWR) in the Department of Natural Resources administers water use in the state. The bill does not alter the DWR's duty or authority related to precipitation harvesting facilities; therefore, it will have no fiscal impact on state or local government revenue or expenditures, and is assessed as having no fiscal impact.

Effective Date

The bill was signed into law by the Governor on April 11, 2024, and takes effect on August 7, 2024, assuming no referendum petition is filed.
