A BILL FOR AN ACT

101 **CONCERNING THE "COLORADO VENDING OF DIGITAL ASSETS ACT".**

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

The bill enacts the "Colorado Vending of Digital Assets Act", which requires an owner or operator of a virtual currency kiosk to:

- Provide certain disclosures to customers of the virtual currency kiosk;
- Provide each customer with a printed and an electronic receipt detailing the customer's virtual currency transaction; and
- Fully refund a customer's first virtual currency transaction

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
Capital letters or bold & italic numbers indicate new material to be added to existing law.
Dashes through the words or numbers indicate deletions from existing law.

if the virtual currency transaction is to a virtual currency wallet or exchange located outside of the United States and is determined by law enforcement to be fraudulent.

The bill establishes a daily transaction limit of \$1,000 for a customer of a virtual currency kiosk.

The bill defines "virtual currency" as a type of digital unit that is used as a medium of exchange or a form of digitally stored value or that is incorporated into payment system technology. "Virtual currency kiosk" is defined as an electronic terminal acting as a mechanical agent of the owner or operator to enable the owner or operator to facilitate the exchange of virtual currency for other virtual currency or fiat currency.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1.** In Colorado Revised Statutes, **add** article 112 to
3 title 11 as follows:
