102a Department of Public Safety, Executive Director's Office, Special Programs, Office of School Safety, School Security Disbursement Program -- It is the General Assembly's intent that this appropriation be used for the historically most common application items such as school construction of security vestibules, door locks, and fob card access; school emergency response training; and programs to help students become more resilient in meeting the daily challenges they face without resorting to violence against themselves or others.

103 Department of Public Safety, Division of Fire Prevention and Control, Aviation Resources -- This appropriation remains available for expenditure until the close of the 2025-26 state fiscal year.

104 Department of Public Safety, Division of Criminal Justice, Community Corrections, Community Corrections Placements -- This appropriation assumes the daily rates and average daily caseloads listed in the following table. The appropriation assumes that offenders will not be charged a daily subsistence fee. This appropriation also assumes that the residential base per-diem rate in the table included in this footnote will be increased by 1.0 percent for programs meeting recidivism performance targets and 1.0 percent for programs meeting program completion performance targets.
