A BILL FOR AN ACT

101 CONCERNING PUBLIC HOSPITAL BOARDS OF TRUSTEES.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

The bill allows a board of county commissioners to appoint an individual who is already an appointed state, county, or city official to a public hospital board of trustees (hospital board).

In current law, a hospital board must organize and operate on the second Tuesday of each January. The bill changes that requirement to mandate that a hospital board organize and operate on an annual basis. The bill eliminates a requirement that one of the trustees of a hospital board must visit and examine the hospital at least twice each month. The
