A BILL FOR AN ACT

101 CONCERNING THE AUTHORITY TO CARRY A HANDGUN.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://leg.colorado.gov.)

The bill grants a person who is at least 18 years of age and permitted to possess a handgun pursuant to federal and state law the same authority to carry a concealed handgun as a person who holds a permit to carry a concealed handgun (permit). A person who carries a concealed handgun without a permit has the same rights, limitations, and authority to carry as a person who holds a permit.

A person may obtain a permit for the purpose of using the permit to carry a concealed handgun in another state that recognizes a Colorado permit. The bill makes the minimum age to obtain a permit 18 years of age. Under existing law, Colorado recognizes permits issued in other states that meet certain criteria, including that the holder of the out-of-state permit is at least 21 years of age. The bill changes the minimum age for recognition of an out-of-state permit to 18 years of age.

Under existing law, a permit is valid for 5 years. The bill makes a permit valid for the life of the permit holder. Existing permits, other than temporary emergency permits, are converted to lifetime permits. Because the bill makes permits valid for the life of the holder, the bill repeals provisions relating to the renewal of permits. The bill repeals the temporary emergency permit to carry a concealed handgun.

The bill repeals local government authority to regulate open or concealed carry of a handgun, including repealing the authority of special districts and the governing boards of institutions of higher education, as applicable.

Be it enacted by the General Assembly of the State of Colorado:
