101     **CONCERNING THE DESIGNATION OF FEBRUARY 4 AS "MISSING**  
102             **PERSONS DAY" IN COLORADO.**

---

1             WHEREAS, Each year, hundreds of thousands of families are  
2     faced with what former President Ronald Reagan called "the stark terror  
3     of a unique tragedy": A missing family member; and

4             WHEREAS, Every 40 seconds, someone goes missing in the  
5     United States; approximately 2,300 Americans are reported missing every  
6     day, and there are as many as 90,000 active missing persons cases in the  
7     United States at any given time; and

8             WHEREAS, As of January 1, 2025, the Federal Bureau of  
9     Investigation reported 93,741 active missing persons cases in the United  
10    States, with a large portion being juveniles under the age of 21; 1,196 of  
11    those were reported missing from Colorado; and

12            WHEREAS, Children and adults go missing from their families for  
13    a number of reasons: They run away or wander and become lost; they  
14    disappear under circumstances indicating that their disappearance may  
15    not have been voluntary; or they go missing under suspicious

1 circumstances, indicating that they may be in physical danger or the  
2 victims of foul play; and

3 WHEREAS, In 2002, then-Colorado Governor Bill Owens signed  
4 House Bill 02-1083, establishing the AMBER (America's Missing:  
5 Broadcast Emergency Response) Alert program in Colorado. Named after  
6 nine-year-old Amber Hagerman, who was abducted and killed in Texas  
7 in 1996, the program ensures that local law enforcement agencies can use  
8 Colorado's Emergency Alert System to broadcast information to alert  
9 citizens of missing children; and

10 WHEREAS, Since 1996, AMBER Alerts have successfully  
11 recovered 1,221 children; and

12 WHEREAS, in 2022, Senate Bill 22-150 was signed, establishing  
13 a statewide Missing Indigenous Person Alert (MIPA), making Colorado  
14 only the third state nationally to implement this protection for Indigenous  
15 people. The MIPA is now the second most utilized alert in the state; and

16 WHEREAS, For all the important work done to recover missing  
17 children, the National Center for Missing & Exploited Children reported  
18 on its website in 2024 that 29,568 missing child reports were made to law  
19 enforcement in 2024, and the organization lists 53 missing Coloradan  
20 children from every area of the state. Though all 53 disappeared from  
21 their families when they were children, some have been missing for  
22 decades; and

23 WHEREAS, While too many families grieve and hope for their  
24 missing children, others are in search of their missing family members of  
25 all ages; and

26 WHEREAS, The awareness of citizens, media, and law  
27 enforcement, as well as their support, their efforts, and their search for  
28 missing persons, must continue; and

29 WHEREAS, The public plays a critical role in the success of the  
30 AMBER and all other Alert programs, as they become the eyes and ears  
31 of law enforcement and can be on the lookout for the missing person; and

32 WHEREAS, The common misconception that a person must be  
33 absent for at least 24 hours before being legally classified as missing is  
34 dangerous; when there is evidence of violence or of an unusual absence,

1 it is critical that an investigation begin promptly; and

2 WHEREAS, New advances in technology must be utilized and  
3 made available to locate the missing; and

4 WHEREAS, The state of Colorado is committed to the safety and  
5 well-being of its citizens, both children and adults; and

6 WHEREAS, The designation of Missing Persons Day in Colorado  
7 will firmly embed the importance of missing persons and their families  
8 and friends in our state calendar and will raise a level of awareness with  
9 other cities and states that have already designated a Missing Persons  
10 Day; and

11 WHEREAS, The designation of Missing Persons Day in Colorado  
12 offers a platform to plan events that will connect families with resources  
13 to help identify and find their long-term missing loved ones; and

14 WHEREAS, The designation of Missing Persons Day in Colorado  
15 will ensure that the families and friends of the missing know that they are  
16 not alone in this tragedy of uncertainties and lack of closure, which leads  
17 to extreme suffering and long-lasting effects on the health, finances, and  
18 relationships of those left behind; and

19 WHEREAS, Every missing person is someone's son or daughter,  
20 father or mother, brother or sister, partner or friend, and every missing  
21 person deserves to be searched for and found; now, therefore,

22 *Be It Resolved by the Senate of the Seventy-fifth General Assembly*  
23 *of the State of Colorado, the House of Representatives concurring herein:*

24 (1) That we, the members of the General Assembly, recognize the  
25 epidemic of the missing in America as "The Silent Mass Disaster" and  
26 empathize with the ongoing suffering of the families and friends of those  
27 who are missing;

28 (2) That we recognize the importance of raising awareness of the  
29 number of people who go missing in Colorado each year;

30 (3) That we applaud the committed efforts of families, law  
31 enforcement agencies, and concerned citizens who work to locate missing  
32 persons;

1           (4) That we encourage the continued support of worthy initiatives  
2 and private and public programs to increase efforts to locate missing  
3 persons;

4           (5) That we hereby designate February 4 of each year as Missing  
5 Persons Day and support the goals and ideals of the day; and
