SENATE
Amended Final Rdg
February 3, 2025

1 WHEREAS, Children and adults go missing from their families for
2 a number of reasons: They run away or wander and become lost; they
3 disappear under circumstances indicating that their disappearance may
4 not have been voluntary; or they go missing under suspicious
5 circumstances, indicating that they may be in physical danger or the
6 victims of foul play; and

7 WHEREAS, In 2002, then-Colorado Governor Bill Owens signed
8 House Bill 02-1083, establishing the AMBER (America's Missing:
9 Broadcast Emergency Response) Alert program in Colorado. Named after
10 nine-year-old Amber Hagerman, who was abducted and killed in Texas
11 in 1996, the program ensures that local law enforcement agencies can use
12 Colorado's Emergency Alert System to broadcast information to alert
13 citizens of missing children; and

14 WHEREAS, Since 1996, AMBER Alerts have successfully
15 recovered 1,221 children; and

16 WHEREAS, in 2022, Senate Bill 22-150 was signed, establishing
17 a statewide Missing Indigenous Person Alert (MIPA), making Colorado
18 only the third state nationally to implement this protection for Indigenous
19 people. The MIPA is now the second most utilized alert in the state; and

20 WHEREAS, For all the important work done to recover missing
21 children, the National Center for Missing & Exploited Children reported
22 on its website in 2024 that 29,568 missing child reports were made to law
23 enforcement in 2024, and the organization lists 53 missing Coloradan
24 children from every area of the state. Though all 53 disappeared from
25 their families when they were children, some have been missing for
26 decades; and

27 WHEREAS, While too many families grieve and hope for their
28 missing children, others are in search of their missing family members of
29 all ages; and

30 WHEREAS, The awareness of citizens, media, and law
31 enforcement, as well as their support, their efforts, and their search for
32 missing persons, must continue; and

33 WHEREAS, The public plays a critical role in the success of the
34 AMBER and all other Alert programs, as they become the eyes and ears
35 of law enforcement and can be on the lookout for the missing person; and

1 WHEREAS, The common misconception that a person must be
2 absent for at least 24 hours before being legally classified as missing is
3 dangerous; when there is evidence of violence or of an unusual absence,
4 it is critical that an investigation begin promptly; and

5 WHEREAS, New advances in technology must be utilized and
6 made available to locate the missing; and

7 WHEREAS, The state of Colorado is committed to the safety and
8 well-being of its citizens, both children and adults; and

9 WHEREAS, The designation of Missing Persons Day in Colorado
10 will firmly embed the importance of missing persons and their families
11 and friends in our state calendar and will raise a level of awareness with
12 other cities and states that have already designated a Missing Persons
13 Day; and

14 WHEREAS, The designation of Missing Persons Day in Colorado
15 offers a platform to plan events that will connect families with resources
16 to help identify and find their long-term missing loved ones; and

17 WHEREAS, The designation of Missing Persons Day in Colorado
18 will ensure that the families and friends of the missing know that they are
19 not alone in this tragedy of uncertainties and lack of closure, which leads
20 to extreme suffering and long-lasting effects on the health, finances, and
21 relationships of those left behind; and

22 WHEREAS, Every missing person is someone's son or daughter,
23 father or mother, brother or sister, partner or friend, and every missing
24 person deserves to be searched for and found; now, therefore,

25 *Be It Resolved by the Senate of the Seventy-fifth General Assembly*
26 *of the State of Colorado, the House of Representatives concurring herein:*

27 (1) That we, the members of the General Assembly, recognize the
28 epidemic of the missing in America as "The Silent Mass Disaster" and

31 (2) That we recognize the importance of raising awareness of the
32 number of people who go missing in Colorado each year;

1 (3) That we applaud the committed efforts of families, law
2 enforcement agencies, and concerned citizens who work to locate missing
3 persons;

4 (4) That we encourage the continued support of worthy initiatives
5 and private and public programs to increase efforts to locate missing
6 persons;

7 (5) That we hereby designate February 4 of each year as Missing
