## OVERVIEW OF THE STATE EDUCATION FUND

The State Education Fund was established by voters in November 2000 through Amendment 23 [Colorado Const., art. IX, sec. 17]. Amendment 23 provides annual funding, which is increased each year based on the rate of inflation, for preschool through 12th grade, financed through state income taxes. Among other things, State Education Fund monies can be used to support public school construction, leasing, and financing.

The State Auditor is required by statute to report only on State Education Fund monies used for school capital construction.

## FISCAL YEAR 2020 STATE EDUCATION FUND EXPENDITURES FOR CAPITAL CONSTRUCTION

Fiscal Year 2020 expenditures for capital construction from the State Education Fund were as follows:

- **CHARTER SCHOOLS.** For Fiscal Year 2020, approximately \$20 million in State Education Fund monies for capital construction, authorized by Senate Bill 19-207, were appropriated and distributed to charter schools individually on a formula basis. An additional \$0.7 million was appropriated by House Bill 19-1055 based on changes in charter school enrollment.
- **SCHOOL DISTRICTS.** In Fiscal Year 2020, no State Education Fund monies were appropriated to or expended by the State's school districts.

The schedule on the following pages shows the amount of State Education Fund monies expended by each charter school during Fiscal Year 2020, as required by Section 2-3-115, C.R.S. Also shown in the table is approximately \$691,000 in Fund monies that charter schools are allowed to carry over for future expenditures. In addition, applicable text of Section 2-3-115, C.R.S., is attached for your convenience, beginning on PAGE 18.
