

# MEMORANDUM

## JOINT BUDGET COMMITTEE

TO                   Members of the Joint Budget Committee

FROM               Louellen Lowe, JBC Staff (303-866-2981)

DATE               March 20, 2024

SUBJECT           History Colorado – Storage Lease Footnote

---

As part of the OSPB Comeback approval for the DOR R02 Space Planning, History Colorado is set to receive \$500,000 General Fund for a capitol complex lease payment. History Colorado does not currently have a line item for a capitol complex lease but rather requested the funding in the History Colorado Division, Central Administration line item. Staff requests to include a footnote to the Long Bill, calling out the appropriation for the lease funding as approved by the Committee.
