Hello,

I am writing in support of HB2020-1422, the Food Pantry Assistance Grant Program. As you know, hunger is an issue in Colorado and due to COVID food insecurity has increased. This bill will help food pantries provide nutritious, local food to people in need. My organization was able to participate last year and it was incredibly helpful to be able to partner with local growers.

Please support this important bill.

Sincerely,

Suzanne Crawford
