

Youth Healthcare Alliance

Champions for Colorado School-Based Clinics

Who are we?

- Formerly Colorado Association for School-Based Health Care – changed name February 15 of this year
- Still membership organization for Colorado’s 70 school-based clinics
- Mission: optimize health outcomes among young people with access to quality, integrated healthcare in schools.
- Vision: all Colorado school-based clinics provide high-quality, equitable, comprehensive healthcare in support of positive academic outcomes.

And how do we do it?
