Dear Members of the General Assembly:

I am pleased to submit the Department of Regulatory Agencies (DORA's) 2021 Agenda and the 2020 Regulatory Report, in compliance with CRS 2-7-203. The Department's Regulatory Agenda has also been submitted to the Colorado Secretary of State for publication in the Colorado Register and posted to our website.

The report summarizes all permanent, temporary, and emergency rules revised, created, or repealed and the results of the mandatory review of regulations per the Department's Rule Review Schedule in the current calendar year. The Agenda provides a summary of rules under consideration for review, revision, repeal, or creation in the upcoming calendar year. As reflected in the Report, all permanent regulations adopted by the Department involved early stakeholder engagement as outlined on the Department's website.

According to §2-7-203(2)(a)(II), C.R.S., the Department will be prepared to discuss our Agenda and Report with the Department's Joint Committee of Reference during our upcoming SMART Act presentation.

Sincerely,

Regulatory Agenda

COLORADO
Department of
Regulatory Agencies

Overview

The Colorado Department of Regulatory Agencies submits the following 2021 Regulatory Agenda in fulfillment of the statutory requirements set forth in Colo. Rev. Stat. §2-7-203(4). Pursuant to state law, annually on November 1 executive-branch agencies must file a Departmental Regulatory Agenda (DRA) containing:

- A list of new rules or amendments that the department or its divisions expect to propose in the next calendar year;
- The statutory or other basis for adoption of the proposed rules;
- The purpose of the proposed rules;
- The contemplated schedule for adoption of the rules;
- An identification and listing of persons or parties that may be affected positively or negatively by the rules; and
- A list and brief summary of all permanent and temporary rules adopted since the previous DRA was filed.

The Regulatory Agenda also includes, pursuant to Colo. Rev. Stat. §24-4-103.3, rules to be reviewed as part of the Department’s “Regulatory Efficiencies Reviews” during 2021 (which are denoted as such in the “purpose” column). The DRA is to be filed with the Legislative Council staff for distribution to the committee(s) of reference, posted on the department’s web site, and submitted to the Secretary of State for publication in the Colorado Register. Each department must also present its DRA as part of its “SMART Act” hearing and presentation pursuant to Colo. Rev. Stat. §2-7-203(2)(a)(II).
