Dear Representative Sirota,

Pursuant to House Rule 50, the Capital Development Committee (CDC) reviews and makes advisory recommendations on legislation that concerns capital construction, controlled maintenance, or proposals to acquire capital assets. On February 23, 2023, the CDC reviewed House Bill 23-1057, concerning a requirement that certain public buildings have restrooms with amenities for all genders. The motion to support the legislation, as amended by the House State, Civic, Military, & Veterans Affairs Committee, passed on a vote of 4-2.

If you have any questions or concerns, please call Bo Pogue, Legislative Council Staff, at 303-866-5390.

Sincerely,
