Denver, CO 80202

Dear Ms. Court:

On June 11, 2024, the Capital Development Committee (CDC) considered a proposal recommended by the Capitol Building Advisory Committee concerning renovations of the State Capitol Building basement offices. Since the enhancements impact historic building elements, the proposal requires approval by the CDC pursuant to Section 24-82-108 (3)(a), C.R.S. The CDC also considered a proposal for landscaping improvements. The CDC approved the proposals on votes of 6-0.

If you have any questions or concerns about the CDC's approval of this proposal, please call Bo Pogue, Legislative Council Staff, at 303-866-5390.

Sincerely,
