

**Capital Development Committee House Members  
FY 2024-25 Informal Prioritization Discussion  
February 13, 2024, 8:00 am  
HCR 0112**

Attendance: Representative Lindsay, Representative Catlin, Representative Story

8:24 am -- Representatives Lindsay and Catlin discussed the potential for phasing some capital projects with staff.

8:26 am -- Representative Story joined the meeting. The representatives continued to discuss project phasing, and prioritizing FY 2024-25 capital projects. Discussion ensued regarding the potential for using federal moneys for capital construction. The group discussed the funding situation for various projects.

8:45 am -- The group continued to discuss the funding situation for various projects, and the merits of various projects. The committee also discussed controlled maintenance, and funding for some higher education projects.

8:54 am -- Senator Hinrichsen joined the group and discussed the potential for seeking more time from the Joint Budget Committee to continue to prioritize projects.

8:55 am -- The meeting dissolved.
