

**Agenda – Economic Recovery and Relief Subpanel Meeting #4**  
**November 16, 2021 from 3p-5p**  
**Meeting Conducted Remotely**

**Discussion:** Identification of gaps from the baseline economic research conducted by the Subpanel

**Discussion:** Recommendations for broad categories of funding (note that we did not commit to recommending specific funding priorities)

**Discussion:** Finalize dimensions of evaluation in the decision metric. Incorporate the feedback from the Task Force meeting where the following additional elements were suggested:

1. The one-time nature of this funding
2. The sustainability of the initiative beyond the expiration of the ARPA funding
3. Are resources (labor, materials, etc) available to achieve the project or program in the timeline dictated by the spending requirements for ARPA funds
4. Incorporate the relationship (if any) with the federal infrastructure bill
5. Can the money be spent quickly enough to meet the ARPA requirements (related to 3 above).

**Assignments** for Drafting the Final Report – report to be presented at Task Force meeting, December 7
