- Real-time data collection
- Supporting the recovery residences and the individuals living in recovery residences.

COLORADO

Greatest Area of Concern

Except as otherwise provided for in this Act, and notwithstanding any other law or regulation to the contrary, any state, county, or local zoning ordinance enacted in [state]:

- a. Shall treat a recovery residence as a **residential use of property** which shall have all rights and responsibilities accorded to a residential use property; and
- b. Shall not subject the recovery residence to any restrictions, prohibitions, or other provisions, including provisions related to the building or fire codes, **that are not also applicable to residential uses in similar types of structures** (*i.e.*, single-family detached, single-family attached, multi-family structures) **in the same zoning district if occupied by a single family.**

- **Non-Certified homes are continuing to operate.**
- **CARR Staff - Resources**
 - Currently have 2 –FTEs
 - Budget of \$200,000 from the state general fund
 - Budget of \$50,000 from certification fees
