

COLORADO

Department of Personnel & Administration

2023 Legislative Agenda

Flexible Payroll Options

Updates 24-50-104(8)

- Allows the State to adopt pay cycles consistent with employee needs and state mission

Allow State Architect to Set Controlled Maintenance Threshold

Updates 24-30-1301(3)

- Allows the state to set the controlled maintenance threshold based on available cost indexes to reduce overall costs and improving programmatic access to competitive small businesses

State Workforce Revitalization and Activation

Updates 24-50-122

- Establishes common-policy funding methodology for centralized state workforce training

Modernized Record Keeping by the State Archives

Updates 24-80-107 & 24-1-136

- Updates statute to allow copies of records to also be produced using digital scanning, rather than only photograph, micrograph, or film

Public-Private Partnerships for Workforce Housing

Updates 24-82-102.5 & 24-94-103

- Updates statute to efficiently manage P3 property and to fund projects reliably
