*Capital letters indicate new material added to existing statutes; dashes through words indicate deletions from existing statutes and such material not part of act.*

<sup>2/</sup> It is anticipated that during the fiscal year 1994-95 the tax levy on civil actions provided for in section 2-5-119, Colorado Revised Statutes, will return approximately \$230,000 to the general fund to offset expenses of the revision of statutes by the office of legislative legal services.

**SECTION 2. Safety clause.** The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety.
