SECTION 4. 22-7-604 (1), (2), (5), (6), (7), and (8), Colorado Revised Statutes, are amended to read:

22-7-604. Academic performance - academic improvement - measurement - designation and methodology. (1) Beginning with the 2000-01 school year and for each school year thereafter, the department shall assign to each public school a ~~letter grade of "A", "B", "C", "D", or "F"~~ RATING OF "EXCELLENT", "HIGH", "AVERAGE", "LOW", OR "UNSATISFACTORY" for the public school's overall academic performance as calculated pursuant to this section. The ~~grades~~ RATINGS shall correspond to the following categories:

- (a) ~~"A"~~ "EXCELLENT": Excellent academic performance;
- (b) ~~"B"~~ "HIGH": Above average academic performance;

- (d) ~~"D"~~ "LOW": Below average academic performance; and
- (e) ~~"F"~~ "UNSATISFACTORY": Failing academic performance.

(2) ~~Grades~~ RATINGS assigned to public schools pursuant to this section shall be determined by the levels of student achievement and improvement on all CSAP assessments and curriculum-based, achievement college entrance exams administered by the public school in each school year pursuant to section 22-7-409. Each new CSAP assessment area and grade level shall enter the calculations of ~~grades~~ RATINGS pursuant to this section at a weight equivalent to that assigned to existing assessment areas and grade levels.

(5) **Overall academic performance measurement.** (a) The department shall average each public school's CSAP-area standardized, weighted total scores calculated pursuant to subsection (3) of this section and, in the case of a public high school, STARTING WITH THE 2001-02 SCHOOL YEAR, shall average its CSAP-area standardized, weighted total score calculated pursuant to subsection (3) of this section and its standardized mean scores for the same academic area calculated pursuant to subsection (4) of this section. The average shall be weighted to control for differences in school size and differences in the number of students with valid scores across academic areas. The number of students with valid scores within an academic area ~~will~~ SHALL be multiplied by the CSAP-area or curriculum-based, achievement college entrance exam standard mean score for that academic area. This product ~~will~~ SHALL be summed with all other products for academic areas and divided by the sum

of the number of students with valid scores across all academic areas. The department shall use the resulting overall standardized, weighted total score to assign an academic performance ~~grade~~ RATING to each public school.

(b) (I) In the baseline performance year, the department shall assign an academic performance ~~grade~~ RATING to each public school at each school level based on a public school's overall standardized, weighted total score as follows:

(A) An academic performance ~~grade~~ RATING of "~~A~~" "EXCELLENT" shall be assigned to public schools whose overall standardized, weighted total scores are in the highest eight percent of scores received by public schools at the same school level in the state, including public schools that tie at the lowest eligible score;

(B) An academic performance ~~grade~~ RATING of "~~B~~" "HIGH" shall be assigned to public schools whose overall standardized, weighted total scores are below the highest eight percent and above the lowest sixty-seven percent of scores received by public schools at the same school level in the state, including schools that tie at the lowest eligible score;

(D) An academic performance ~~grade~~ RATING of "~~D~~" "LOW" shall be assigned to public schools whose overall standardized, weighted total scores are below the highest seventy-three percent and above the lowest two percent of scores received by public schools at the same school level in the state, including schools that tie at the lowest eligible score;

(E) An academic performance ~~grade~~ RATING of "~~F~~" "UNSATISFACTORY" shall be assigned to public schools whose overall standardized, weighted total scores are in the lowest two percent of scores received by public schools at the same school level in the state.

(II) The ~~grades~~ RATINGS assigned in the baseline performance year pursuant to subparagraph (I) of this paragraph (b) shall establish which overall standardized, weighted total scores are assigned to which ~~grades~~ RATINGS for subsequent years, subject to paragraph (c) of this subsection (5). The conversion tables established in the baseline performance year for converting weighted totals to standardized, weighted totals shall be used in future years until such time as a new baseline year is established. In addition, the conversion tables established in the baseline performance year for converting standardized, weighted totals to ~~letter-grades~~ RATINGS shall be used in future years until such time as a new baseline year is established.

(c) As student performance improves, the standard for assessing academic performance ~~grades~~ RATINGS shall be raised. The department shall evaluate this standard annually by reporting to the state board on the overall academic performance ~~grades~~ RATINGS and changes in such ~~grades~~ RATINGS as described in subsections (6)

and (7) of this section. In February, 2005, and in February every three years thereafter, the state board shall report to the education committees of the senate and the house of representatives and to the governor on whether it believes that a new year should be used as the baseline performance year to recalculate the overall standardized, weighted total scores assigned to each academic performance ~~grade~~ RATING. The state board shall not establish a new year as the baseline performance year unless it notifies the education committees of the senate and the house of representatives and the governor on or before February 1 of the year in which school ~~report cards~~ ACCOUNTABILITY REPORTS would reflect the new baseline performance year.

(d) For public schools that exclude from any CSAP assessment at any grade level more than ten percent of the students enrolled in that grade level or exclude from any curriculum-based, achievement college entrance exam more than ten percent of the students required to take such exam, any representation of that public school's overall academic performance ~~grade~~ RATING shall be qualified and followed by the words "participation noted".

(6) **School improvement measurement.** (a) Beginning with the 2001-02 school year, the department shall annually assign a ~~letter-grade~~ RATING for academic improvement to each public school ~~that in the immediately preceding school year received an academic performance grade of "C" or below as calculated pursuant to subsection (5) of this section. The academic improvement grades shall correspond to the categories described in subsection (1) of this section.~~ OF "SIGNIFICANT IMPROVEMENT", "IMPROVEMENT", "STABLE", "DECLINE", OR "SIGNIFICANT DECLINE". (I) An academic improvement ~~grade~~ RATING of "A" "SIGNIFICANT IMPROVEMENT" shall be assigned to each ~~such~~ public school that shows an improvement of 0.5 of a point or greater from the standard deviation over the immediately preceding year's standardized, weighted total score;

(II) An academic improvement ~~grade~~ RATING of "B" "IMPROVEMENT" shall be assigned to each ~~such~~ public school that shows an improvement of less than 0.5 of a point but 0.3 of a point or greater from the standard deviation over the immediately preceding year's standardized, weighted total score;

(III) An academic improvement ~~grade~~ RATING of "C" "STABLE" shall be assigned to each ~~such~~ public school that shows an improvement of less than 0.3 of a point from the standard deviation over the immediately preceding year's standardized, weighted total score or that ~~show~~ SHOWS a decline of less than -0.3 of a point from the standard deviation over the immediately preceding year's standardized, weighted total score;

Each such public school shall be assigned such designation based on its CSAP-area standardized, weighted total score calculated pursuant to subsection (5) of this section.~~

~~(b) The department shall assign designations for each public school described in paragraph (a) of this subsection (7) according to its demonstration of the following:~~

~~(I) A school improvement designation of "significant improvement in school performance" shall be assigned to each such public school that shows an improvement of 0.5 of a point or greater from the standard deviation over the immediately preceding year's standardized, weighted total score;~~

(2) As used in this section, unless the context otherwise requires:

(b) "Eligible student" means a student:

(III) (A) Who is enrolled in a neighborhood school that received an academic performance ~~grade~~ RATING of "~~D~~" "LOW" or "~~F~~" "UNSATISFACTORY", pursuant to section ~~22-7-604~~ 22-7-604 (5), for the preceding school year; or

(3) (b) An eligible student shall continue receiving transportation tokens pursuant to this section so long as he or she continues to meet the requirements specified for an eligible student in paragraph (b) of subsection (2) of this section; except that, after the first year in which an eligible student receives transportation tokens, the requirement specified in subparagraph (III) of paragraph (b) of subsection (2) of this section shall no longer apply. (4) The state board shall determine a monetary value for the transportation token issued at each public school that receives an academic performance ~~grade~~ RATING of "~~D~~" "LOW" or "~~F~~" "UNSATISFACTORY", pursuant to section ~~22-7-604~~ 22-7-604 (5). In determining the value of a transportation token, the state board shall take into account the various transportation options available to the eligible student and the distance to be traveled by the eligible student to attend a public school outside of the student's neighborhood. The transportation token used by an eligible student shall

be redeemable by a transportation provider through the department.

(6) (a) The department shall ensure that for each eligible student the school district of the neighborhood school shall:

(I) Timely notify the eligible student's parent or legal guardian of all options available pursuant to this section as soon as the neighborhood school receives an academic performance ~~grade~~ RATING of "~~D~~" "LOW" or "~~F~~" "UNSATISFACTORY", pursuant to section ~~22-7-604~~ 22-7-604 (5); and
