5 (Governor lined through this provision. See L. 2000, p. 2752.)

6 All Departments, Totals -- The General Assembly requests that copies of all reports requested in other footnotes contained in this act be delivered to the Joint Budget Committee and the majority and minority leadership in each house of the General Assembly. Each principal department of the state shall produce its rules in an electronic format that is suitable for public access through electronic means. Such rules in such format shall be submitted to the Office of Legislative Legal Services for publishing on the Internet. It is the intent of the General Assembly that this be done within existing resources.

152 Department of Law, Special Purpose, Comprehensive Environmental Response, Compensation and Liability Act Contracts; Department of Natural Resources, Executive Director's Office, Comprehensive Environmental Response, Compensation and Liability Act; and Department of Public Health and Environment, Hazardous Materials and Waste Management Division, Contaminated Site Cleanups -- It is the intent of the General Assembly that the Department work toward the goal of removing contaminated sites from the federal list of Superfund sites as soon as possible. In this regard, the departments are requested to cooperate in the preparation of a report on the State's CERCLA Program. The report should be prepared annually and should be submitted with each department's budget request. This report should include detailed expenditures, by department, for CERCLA contracts,

including actual, estimated, and requested funding for personal services, contract services, operating expenses, and other costs. The report also should include an analysis of long-term funding needs of the State in responding to, litigating, and cleaning up CERCLA sites, including estimated long-term maintenance costs for these sites. The report should discuss the possible downsizing of the State's CERCLA programs.

157 ~~Department of Local Affairs, Community Development, Division of Local Government, Local Government and Community Services, Community Services;~~ DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT, PREVENTION AND INTERVENTION SERVICES FOR CHILDREN AND YOUTH, Youth Crime Prevention and Positive Intervention Program Grants -- The Department is requested to submit a report to the Joint Budget Committee on the Youth Crime Prevention and Positive Intervention Program by November 1, 2000. This report should include the following information for FY 1998-99: (1) number of applicant organizations and number of organizations receiving funding; (2) names of all applicants and amount applied for by each; (3) numbers of persons served each year; (4) characteristics of programs funded (e.g. program goals, characteristics of persons targeted, types of services provided, geographic locations of programs funded); (5) amount of grantee funding received from other sources administered by the State and from other non-State sources per dollar of Youth Crime Prevention and Positive Intervention funding; and (6) general evaluation of program strengths and weaknesses and any recommendations for statutory changes.

158 ~~Department of Local Affairs, Community Development, Division of Local Government, Local Government and Community Services, Community Services;~~ DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT, PREVENTION AND INTERVENTION SERVICES FOR CHILDREN AND YOUTH, Youth Crime Prevention and Positive Intervention Program Grants -- It is the intent of the General Assembly that the Youth Crime Positive Prevention and Positive Intervention Board require grant recipients to provide adequate measurements to permit a longitudinal evaluation of the effectiveness of the grant funded programs. Additionally, it is the intent of the General Assembly that the Youth Crime Prevention and Positive Intervention Board use up to one percent of the total FY 2000-01 Long Bill appropriation to continue the longitudinal evaluation of program effectiveness. This study should be contracted through the state's university system. A report on the results of this evaluation is requested to be provided to the Joint Budget Committee by November

1, 2000.

- 190 Department of Public Health and Environment, Administration and Support -- The Department is requested to present its FY 2001-02 budget submission in the revised Long Bill format. All figures are requested to be presented in this format, including but not limited to the two prior years' actual expenditures, allocated pots, and revenue schedules. The budget request should also delineate all reversions and unutilized FTE, by line item, by fund source, for the prior years actual expenditures. The budget request should include increases and decreases in federal funds received, by line item, for the prior years actual expenditures.
- 191 (Governor lined through this provision. See L. 2000, p. 2760.)
- 192 Department of Public Health and Environment, Center for Health and Environmental Statistics – The Department is requested to provide, with its FY 2001-2002 budget request, a report summarizing the feasibility of replacing its current mainframe computer system. This study should include, but not limited to, funding needs and planned funding levels.
- 193 Department of Public Health and Environment, Center for Health and Environmental Information, Information Technology Services, Information Technology Asset Maintenance -- The department is requested to prepare a detailed inventory of desktop and laptop computers for each of the department's organizational units. The report should also include the expenses, by line item, by fund source, that were used to pay for computer replacements in FY 1999-00 and in FY 1998-99. The Department is requested to provide this report to the Joint Budget Committee by October 1, 2000.
- 194 Department of Public Health and Environment, Air Quality Control Division; and Water Quality Control Division -- The Department is requested to provide the Joint Budget Committee with quarterly revenue and expenditure reports for all activities relating to the regulation of hog farms in accordance with Amendment 14, approved by voters statewide at the 1998 General Election. The first quarterly report should be submitted on or before July 15, 2000, for the immediately preceding three months. Subsequent quarterly reports should be submitted on or before October 15, January 15, and April 15. These reports should compare projected to actual revenues, projected and actual expenditures, and include workload data relevant to expenditures and FTE. The Department is also requested to submit recommendations regarding any statutory changes needed to improve this program.
- 194a Department of Public Health and Environment, Hazardous Materials and Waste Management Division -- It is the intent of the General Assembly that the Department perform routine water quality inspections in Waterton Canyon in response to remediation efforts by the United States Environmental Protection Agency.
