**FOOTNOTES** -- The following statements are referenced to the numbered footnotes throughout section 2.

- 4 All Departments, Totals -- The General Assembly requests that copies of all reports requested in other footnotes contained in this act be delivered to the Joint Budget Committee and the majority and minority leadership in each house of the General Assembly.
- 5 All Departments, Totals -- Every Department is requested to submit to the Joint Budget Committee information on the number of additional federal and cash funds exempt FTE associated with any federal grants or private donations that are applied for or received during FY 2007-08. The information should include the number of FTE, the associated costs (such as workers' compensation, health and life benefits, need for additional space, etc.) that are related to the additional FTE, the direct and indirect matching requirements associated with the federal grant or donated funds, the duration of the grant, and a brief description of the program and its goals and objectives.
- 6 Department of Corrections, Management, Executive Director's Office Subprogram; Department of Human Services, Mental Health and Alcohol and Drug Abuse Services, Alcohol and Drug Abuse Division; and Division of Youth Corrections; Judicial Department, Probation and Related Services; and Department of Public Safety, Division of Criminal Justice -- State agencies involved in multi-agency programs requiring separate appropriations to each agency are requested to designate one lead agency to be responsible for submitting a comprehensive annual budget request for such programs to the Joint Budget Committee, including prior year, request year, and three year forecasts for revenues into the fund

and expenditures from the fund by agency. The requests should be sustainable for the length of the forecast based on anticipated revenues. Each agency is still requested to submit its portion of such request with its own budget document. This footnote applies to requests for appropriation from the Drug Offender Surcharge Fund, the Sex Offender Surcharge Fund, the Persistent Drunk Driver Cash Fund, and the Alcohol and Drug Driving Safety Fund, among other programs.

- 11 Department of Corrections, Totals; Department of Human Services, Mental Health and Alcohol and Drug Abuse Services, Alcohol and Drug Abuse Division; and Division of Youth Corrections; Department of Public Safety, Division of Criminal Justice -- It is the intent of the General Assembly that the impacts of the Governor's Recidivism Reduction and Offender Diversion Package funded by the General Assembly in 2007, be analyzed using contract funding appropriated for this purpose to the Department of Public Safety, Division of Criminal Justice. The evaluation should specifically address: the Short-term Intensive Residential Remediation Treatment Program (STIRRT) in the Department of Human Services, Diversion Community Corrections Beds in the Department of Public Safety, Mental Health Beds in the Department of Public Safety, and any new programs or services created or implemented through additional budgetary flexibility provided to the Division of Youth Corrections in the Department of Human Services. It is the intent of the General Assembly that the contractor compare the outcomes for offenders who participate in these programs with outcomes for offenders in predetermined control groups. The Department of Public Safety, Division of Criminal Justice, in conjunction with other state departments, is requested to submit an annual progress report to the Joint Budget Committee by November 1 of each year. This report is requested to include a summary of the number of offenders served by each program and a summary of the program evaluation techniques that will be used to examine the effectiveness of each program. The Department of Public Safety, Division of Criminal Justice, is requested to submit a final report to the Joint Budget Committee on or before November 1, 2012. The final report should specifically address whether any of the interventions funded were cost-effective and, based on this, recommendations for continuation, modification or elimination of each program.
- 50 Department of Human Services, Executive Director's Office, General Administration, Injury Prevention Program -- The Department is requested to provide information regarding the cost-effectiveness of this program. Such information should include: Actual and planned annual expenditures for this line item, by program; the actual number of workers' compensation claims filed, by type of injury and by program; and the related costs associated with workers' compensation claims filed, by type of injury and by program. This information should be provided to the Joint Budget Committee annually on or before October 15.
- 51 Department of Human Services, Office of Information Technology Services, Colorado Benefits Management System (CBMS) □ The General Assembly requests that the Department submit to the Joint Budget Committee, on or before June 1, 2007, and again on or before November 1, 2007, a summary of change request activity related to the Colorado Benefits Management System. This summary should include the number

of requests completed, the number in progress, and the number that have been submitted but not yet started. Change requests requiring the expenditure of more than fifty thousand dollars (\$50,000) should be described in detail.

- 52 Department of Human Services, Office of Operations; Department Totals -- The Department is requested to examine its cost allocation methodology and report its findings to demonstrate that all state-wide and departmental indirect costs are appropriately collected and applied. The Department is requested to submit a report to the Joint Budget Committee on or before November 15, 2007, that should include: (1) Prior year actual indirect costs allocated by division and corresponding earned revenues by type (cash, cash exempt, and federal); (2) the amount of such indirect costs applied within each division and to Department administration line items in the Executive Director's Office, Office of Operations, and Office of Information Technology Services; (3) a comparison between indirect amounts applied and the amounts budgeted in the Long Bill; and (4) a schedule identifying areas in which collections could potentially be increased and a description of the obstacles to such increases where the discrepancy between the potential and actual collections is \$50,000 or more.
- 53 Department of Human Services, County Administration, County Share of Offsetting Revenues -- It is the intent of the General Assembly that, pursuant to section 26-13-108, C.R.S., the Department utilize recoveries to offset the costs of providing public assistance. This appropriation represents an estimate of the county share of such recoveries and, if the amount of the county share of such recoveries is greater than the amount reflected in this appropriation, the Department is authorized to disburse an amount in excess of this appropriation to reflect the actual county share of such recoveries.
- 54 Department of Human Services, County Administration, County Incentive Payments; Office of Self Sufficiency, Colorado Works Program, County Block Grants -- It is the intent of the General Assembly that, pursuant to sections 26-13-108 and 26-13-112.5 (2), C.R.S., the Department distribute child support incentive payments to counties. If the amount of one-half of the State share of such recoveries is greater than the amount reflected in this appropriation, the Department is authorized to distribute an amount in excess of this appropriation to reflect one-half of the actual State share of such recoveries.
- 55 Department of Human Services, Division of Child Welfare -- It is the intent of the General Assembly to encourage counties to serve children in the most appropriate and least restrictive manner. For this purpose, the Department may transfer funds among all line items in this long bill group total for the division of child welfare.
- 56 Department of Human Services, Division of Child Welfare -- The Department is requested to provide to the Joint Budget Committee, by

November 1, 2007, information concerning the gross amount of payments to child welfare service providers, including amounts that were paid using revenues other than county, state, or federal tax revenues. The Department is requested to identify amounts, by source, for the last two actual fiscal years.

- 57 Department of Human Services, Division of Child Welfare -- The Department is requested to report on a proposal for a rate-setting process consistent with Medicaid requirements for providers of residential treatment services in the state of Colorado. It is anticipated that counties and the provider community will participate in the actual development of the rate-setting process. The Department is requested to report to the Joint Budget Committee on or before January 1, 2008, on a range for reimbursement for residential treatment services that represents a base-treatment rate for serving a child who is subject to out-of-home placement. The base-treatment rate is anticipated to be based on a defined service package to meet the needs of the child. The Department is requested to include recommendations for a two- or three-year implementation plan for the proposed rate structure.
- 57a DEPARTMENT OF HUMAN SERVICES, DIVISION OF CHILD WELFARE, ADMINISTRATION -- OF THE AMOUNT IN THIS LINE ITEM, UP TO \$100,000, IF NOT EXPENDED PRIOR TO JULY 1, 2008, MAY BE ROLLED FORWARD FOR EXPENDITURE IN FY 2008-09 FOR AN EVALUATION OF THE CHILD WELFARE SERVICES DIVISION AND ITS STAFFING.
- 58 Department of Human Services, Division of Child Welfare, Child Welfare Services -- The Department is requested to provide to the Joint Budget Committee, by November 1, 2007, information concerning actual expenditures for the last two fiscal years for services that are now funded through this consolidated line item. Such data should include the following: (a) Program services expenditures and the average cost per open involvement per year; (b) out-of-home placement care expenditures and the average cost per child per day; and (c) subsidized adoption expenditures and the average payment per child per day.
- 59 Department of Human Services, Division of Child Welfare, Child Welfare Services -- Pursuant to section 26-5-104 (6), C.R.S., counties are authorized to negotiate rates, services, and outcomes with child welfare service providers and are thus not required to provide a specific rate increase for any individual provider. This provision does not apply, however, to Medicaid treatment rates. The funding appropriated for this line item includes an increase of \$4,930,846 based on a 1.5 percent increase in funding for county staff salaries and benefits and a 1.5 percent increase in community provider rates and Medicaid treatment rates. The purpose of this increase is to provide counties and tribes with additional funds to increase community provider rates and to pay for increases in Medicaid treatment rates.
- 59a Department of Human Services, Division of Child Welfare, Child Welfare Services -- The Department is requested to provide a report to the

Joint Budget Committee and the House and Senate Health and Human Services Committees by November 1, 2007, that includes an explanation of the allocation formula created pursuant to Section 26-5-104, C.R.S., by which state funds are allocated to counties. The report is also requested to include a description of those components that relate to county payments to entities that provide services to children in the custody of county departments of human services.

- 60 Department of Human Services, Division of Child Welfare, Excess Federal Title IV-E Reimbursements -- Section 26-1-111 (2) (d) (II) (C), C.R.S., authorizes the General Assembly to annually appropriate moneys in the Excess Federal Title IV-E Reimbursements Cash Fund to the Department of Human Services for allocation to the counties for the provision of assistance, child care assistance, social services, and child welfare services. This provision also authorizes the General Assembly to specify, in the annual appropriations act, that counties shall expend such moneys in a manner that will be applied toward the state's maintenance of historic effort as specified in section 409 (a) (7) of the federal Social Security Act, as amended. Pursuant to this statutory authority, the General Assembly hereby specifies that counties shall expend \$1,000,000 of the moneys received through this line item appropriation for FY 2007-08 in a manner that will be applied toward the state's maintenance of historic effort related to the federal Temporary Assistance for Needy Families program.
- 61 Department of Human Services, Division of Child Welfare, Family and Children's Programs -- It is requested that \$4,028,299 of the funds appropriated for this line item be used to assist county departments of social services in implementing and expanding family- and community-based services for adolescents. It is the intent of the General Assembly that such services be based on a program or programs that have been demonstrated to be effective in reducing the need for higher cost residential services.
- 62 Department of Human Services, Division of Child Welfare, Family and Children's Programs -- Pursuant to section 26-5-104 (6), C.R.S., counties are authorized to negotiate rates, services, and outcomes with child welfare service providers and are thus not required to provide a specific rate increase for any individual provider. The funding appropriated for this line item includes an increase of \$680,691 based on a 1.5 percent increase in funding that is allocated to counties and tribes. The purpose of this increase is to provide counties and tribes with additional funds to increase rates paid to community providers.
- 63 Department of Human Services, Division of Child Care, Child Care Assistance Program Automated System Replacement; and Capital Construction, Department of Human Services, Division of Child Care, Capital Construction, Child Care Assistance Tracking System -- It is the intent of the General Assembly that this project: 1) have a steering committee that includes a county commissioner, a county human services director, and a user of the system; 2) that the Department pilot the program before rolling it out; 3) that the steering committee, including the county representatives, should decide whether the system is "go" or "no go" at the roll out stages; and 4) that ongoing costs for

maintenance and administration of this system be covered through savings in or reductions to the Colorado Child Care Assistance Program and remaining Child Care Development Fund reserves. The new system will not drive additional costs to the state General Fund.

- 64 Department of Human Services, Office of Self Sufficiency, Colorado Works Program, County Block Grants -- Pursuant to sections 26-2-714 (7) and 26-2-714 (9), C.R.S., under certain conditions, a county may transfer federal Temporary Assistance for Needy Families (TANF) funds within its Colorado Works Program Block Grant to the federal child care development fund or to programs funded by Title XX of the federal Social Security Act. One of the conditions specified is that the amount a county transfers must be specified by the Department of Human Services as being available for transfer within the limitation imposed by federal law. It is the intent of the General Assembly that the Department allow individual counties to transfer a greater percent of federal TANF funds than the state is allowed under federal law as long as: (a) Each county has had an opportunity to transfer an amount up to the federal maximum allowed; and, (b) the total amount transferred statewide does not exceed the federal maximum.
- 65 Department of Human Services, Office of Self Sufficiency, Colorado Works Program, County Block Grants -- It is the intent of the General Assembly that the appropriation of local funds for Colorado works program county block grants may be decreased by a maximum of \$100,000 to reduce one or more small counties' fiscal year 2007-08 targeted or actual spending level, pursuant to section 26-2-714 (8), C.R.S.
- 66 Department of Human Services, Mental Health and Alcohol and Drug Abuse Services, Administration, Personal Services -- The purpose of this appropriation is for the payment of all salaries and other related personal services costs. It is the intent of the General Assembly that the Department not bill these expenses to any program line items.
- 67 Department of Human Services, Mental Health and Alcohol and Drug Abuse Services, Administration, Traumatic Brain Injury Trust Fund - It is the intent of the General Assembly that no more than 7.5 percent of total expenditures in this line item be for administrative expenses. The Department is requested to include information in its budget request demonstrating compliance with this intent.
- 68 Department of Human Services, Mental Health and Alcohol and Drug Abuse Services, Mental Health Community Programs, Mental Health Services for the Medically Indigent, Services for 10,296 Indigent Mentally Ill Clients; Early Childhood Mental Health Services; Assertive Community Treatment Programs; Alternatives to Inpatient Hospitalization at a Mental Health Institute; Enhanced Mental Health Pilot Services for Detained Youth; Residential Treatment for Youth (H.B. 99-1116); and Alcohol and Drug Abuse Division, Community Programs, Treatment Services, Treatment and Detoxification Contracts; Case Management for Chronic Detoxification Clients; High Risk Pregnant Women Program; and Other Programs, Balance of Substance Abuse Block Grant Programs -- Funding for these line items is calculated including a 1.5 percent

rate increase for community providers.

- 69 Department of Human Services, Mental Health and Alcohol and Drug Abuse Services, Mental Health Community Programs, Mental Health Services for the Medically Indigent, Services for 10,296 Indigent Mentally Ill Clients -- It is the intent of the General Assembly that this money be used solely as a direct services pass-through to community mental health centers.
- 70 Department of Human Services, Mental Health and Alcohol and Drug Abuse Services, Mental Health Institutes -- It is the intent of the General Assembly that civil allocated beds be distributed in a manner such that clients may be served in a mental health institute in closer geographic proximity to the clients' respective homes. Best practices dictate that the provision of care should occur in the closest proximity to family and support in order to facilitate recovery. The Department's 20-year-old bed allocation plan does not follow this best practice. The Department is requested to provide a report by November 1, 2007, on the options and recommendations for addressing this problem, taking into consideration the limits on available state funding.
- 71 Department of Human Services, Mental Health and Alcohol and Drug Abuse Services, Mental Health Institutes -- It is the intent of the General Assembly that a \$500,000 increase to the mental health institute appropriation provided for in FY 2007-08 be used for nurse retention. The Department is requested to provide a report by November 1, 2007, on its plans for use of these funds.
- 72 Department of Human Services, Mental Health and Alcohol and Drug Abuse Services, Mental Health Institutes The Department is requested to provide the Joint Budget Committee with copies of the quarterly reports on waiting times for competency evaluation and treatment at the Mental Health Institute at Pueblo (CMHIP) that are required pursuant to the *State of Colorado v. Zuniga, Sims and Kirkwood* lawsuit settlement. Such reports shall exclude any personally-identifiable information. The Department is further requested to provide a report to the Joint Budget Committee by November 1, 2007, identifying options and recommendations for ensuring that the waiting list for competency restoration and evaluations at CMHIP does not exceed settlement requirements in the future. The report should include an evaluation of the options for promoting and improving the provision of mental health services in jails to minimize the need for competency restorations and evaluations at CMHIP.
- 73 Department of Human Services, Mental Health and Alcohol and Drug Abuse Services, Alcohol and Drug Abuse Division, Community Programs, Treatment Services, Treatment and Detoxification Contracts This appropriation was calculated with the following increases for the following purposes: (1) an increase of \$395,500 General Fund for the purpose of providing residential treatment for parenting female offenders with substance abuse and co-occurring mental illness who are at high risk to enter jail or prison as a result of substance abuse. The

program is anticipated to include a 60 day residential program plus 16 week aftercare program and to serve 30 families over the course of a year; (2) an increase of \$310,661 for the purpose of supporting the first year of a three-year project that will enable a managed service organization to acquire, expand, and maintain software for a performance monitoring and treatment outcomes information system. This system, when implemented, is anticipated to enable Colorado's managed services organizations to monitor and improve the performance of alcohol and drug abuse treatment providers in their networks; (3) an increase of \$288,000 General Fund for the purpose of supporting enhanced multi-systemic family therapy services for adolescents using a community reinforcement approach.
