FOOTNOTES -- The following statements are referenced to the numbered footnotes throughout section 2.

4 All Departments, Totals -- The General Assembly requests that copies of all reports requested in other footnotes contained in this act be

delivered to the Joint Budget Committee and the majority and minority leadership in each house of the General Assembly.

- 5 All Departments, Totals -- Every Department is requested to submit to the Joint Budget Committee information on the number of additional federal and cash funds exempt FTE associated with any federal grants or private donations that are applied for or received during FY 2007-08. The information should include the number of FTE, the associated costs (such as workers' compensation, health and life benefits, need for additional space, etc.) that are related to the additional FTE, the direct and indirect matching requirements associated with the federal grant or donated funds, the duration of the grant, and a brief description of the program and its goals and objectives.
- 6 Department of Corrections, Management, Executive Director's Office Subprogram; Department of Human Services, Mental Health and Alcohol and Drug Abuse Services, Alcohol and Drug Abuse Division; and Division of Youth Corrections; Judicial Department, Probation and Related Services; and Department of Public Safety, Division of Criminal Justice -- State agencies involved in multi-agency programs requiring separate appropriations to each agency are requested to designate one lead agency to be responsible for submitting a comprehensive annual budget request for such programs to the Joint Budget Committee, including prior year, request year, and three year forecasts for revenues into the fund and expenditures from the fund by agency. The requests should be sustainable for the length of the forecast based on anticipated revenues. Each agency is still requested to submit its portion of such request with its own budget document. This footnote applies to requests for appropriation from the Drug Offender Surcharge Fund, the Sex Offender Surcharge Fund, the Persistent Drunk Driver Cash Fund, and the Alcohol and Drug Driving Safety Fund, among other programs.
- 11 Department of Corrections, Totals; Department of Human Services, Mental Health and Alcohol and Drug Abuse Services, Alcohol and Drug Abuse Division; and Division of Youth Corrections; Department of Public Safety, Division of Criminal Justice -- It is the intent of the General Assembly that the impacts of the Governor's Recidivism Reduction and Offender Diversion Package funded by the General Assembly in 2007, be analyzed using contract funding appropriated for this purpose to the Department of Public Safety, Division of Criminal Justice. The evaluation should specifically address: the Short-term Intensive Residential Remediation Treatment Program (STIRRT) in the Department of Human Services, Diversion Community Corrections Beds in the Department of Public Safety, Mental Health Beds in the Department of Public Safety, and any new programs or services created or implemented through additional budgetary flexibility provided to the Division of Youth Corrections in the Department of Human Services. It is the intent of the General Assembly that the contractor compare the outcomes for offenders who participate in these programs with outcomes for offenders in predetermined control groups. The Department of Public Safety, Division of Criminal Justice, in conjunction with other state departments, is requested to submit an annual progress report to the Joint Budget Committee by November 1 of each year. This report is requested to include a summary of the number of offenders served by each program and a summary of the program evaluation techniques that will be used to examine the effectiveness of each program. The Department of Public

Safety, Division of Criminal Justice, is requested to submit a final report to the Joint Budget Committee on or before November 1, 2012. The final report should specifically address whether any of the interventions funded were cost-effective and, based on this, recommendations for continuation, modification or elimination of each program.

117 Department of Public Safety, Colorado State Patrol -- The Department is requested to submit to the Joint Budget Committee a detailed summary of FTE assigned to the field and to special programs on an annual basis beginning on November 1, 2006. Each annual report should include comparative information about the historical assignment of all uniformed positions, vacant positions, State Patrol Academy graduates, employee turnover (including service and disability retirements), and trooper deployment.

118 Department of Public Safety, Division of Criminal Justice, Administration, Recidivism Reduction and Offender Diversion Package Contract Analysis -- The appropriation for this line item is intended to fund a contract analysis of the Governor's Recidivism Reduction and Offender Diversion Package funded by the General Assembly in 2007. Any portion of the appropriation in this line item that is not expended prior to July 1, 2008, shall be rolled forward for expenditure in FY 2008-09.

119 Department of Public Safety, Division of Criminal Justice, Community Corrections -- Appropriations for community corrections programs are based on assumptions that providers of community corrections programs will collect client fees of up to \$17 per day for residential programs and up to \$3 per day for nonresidential programs. Pursuant to its authority to administer and execute contracts under section 17-27-108, C.R.S., the Division of Criminal Justice is requested to ensure that every reasonable effort is made to achieve such collections.

SECTION 2. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety.
