AN ACT

CONCERNING THE DEFINITION OF CAPITAL CONSTRUCTION APPROPRIATION FOR PURPOSES OF THE ART IN PUBLIC PLACES PROGRAM ADMINISTERED BY THE STATE COUNCIL ON THE ARTS.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly hereby finds and declares that:

- (a) Art in public places is an amenity accessible to all;
 - (b) Art in public places has a positive impact on morale, encourages creative problem-solving, and creates a sense of respect and pride;
 - (c) Having art in public places stimulates the donation of moneys to purchase additional works of art and assists recruitment efforts on college campuses while also contributing to student learning;
 - (d) The selected artwork for the art in public places program reflects upon Colorado's landscape and environment, cultural history, and heritage and together forms a visual interpretation and expression of the spirit of Colorado.
- (2) The general assembly further finds and declares that the statutory provision pertaining to the art in public places program has been interpreted to not include capital construction projects initiated for the benefit of the state because of the focus on the statutory language that each capital construction "appropriation" is to include an allocation for the acquisition of works of art.

Capital letters indicate new material added to existing statutes; dashes through words indicate deletions from existing statutes and such material not part of act.

(3) The general assembly further declares that it is necessary to clarify the meaning of a capital construction appropriation for purposes of the art in public places program in order to ensure that art continues to be located in publicly accessible spaces inside and outside of state buildings.
