REDEVELOPMENT FUND.

(b) (I) The department may use moneys in the redevelopment fund for administration, investigation, abatement action, and preparing and implementing corrective action plans for petroleum releases not covered by the petroleum storage tank fund if, in the opinion of the director of the division of oil and public safety, such actions would enhance environmental protection and beneficial use of the property affected by the releases.

(II) Subject to the availability of money in the redevelopment fund, the maximum amount payable from the redevelopment fund for any single corrective action plan must not exceed fifty percent of the eligible cleanup costs or five hundred thousand dollars, whichever is less.

(c) (I) During the fiscal year beginning July 1, 2013, the treasurer shall transfer five million dollars from the redevelopment fund to the state highway fund. The transferred moneys:

(A) Shall be expended solely for costs related to construction of a fire suppression system at the Eisenhower-Johnson tunnels; and

(B) Shall not be expended for administrative purposes.

(II) This paragraph (c) is repealed, effective July 1, 2014.

(d) The division of oil and public safety shall promulgate rules to implement this subsection (9).

SECTION 2. Applicability. This act applies to conduct occurring on or after the effective date of this act.

SECTION 3. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety.
